Part E: Application agreement

Applicant certification

I hereby apply to Medico Insurance Company (the Company) for a **Hospital Indemnity Insurance Policy** to be issued solely and entirely in reliance on my answers to the questions on this application. This application will become a part of any policy to which this form is attached.

I have read and agree:

- **No insurance exists unless and until coverage is approved by the Company, the first premium is paid and a policy is issued.**
- I have read or had read to me the completed application and understand all statements and answers and certify they are complete, true and correctly recorded.
- If requested, I will complete a recorded telephone call with a Company representative as part of the underwriting process.
- I must tell the Company if my health changes in a way that could affect my answers to the above health questions between the time I signed the application and the time the policy becomes effective.
- The policy, if issued, will cover injuries that occur and sicknesses, the symptoms of which manifest after the date the policy is issued, subject to the Pre-Existing Condition Limitation within the policy.

Part E: Application agreement (continued)

- No portion of the premium will be paid, during the period the policy is in force, by or on behalf of a third party (not to include an immediate family member), either directly, or through wage adjustments or other means of reimbursement.
- No agent or other representative of the Company has required, permitted, or encouraged me to answer any question inaccurately or has waived any conditions of this application.

I have received the Outline of Coverage for the policy (in states where required by law).

CAUTION: If your answers on this application are incorrect or untrue, the Company may have the right to deny benefits or rescind your policy if the misrepresentations, omissions, concealment of facts and incorrect statements were: 1. Fraudulent; 2. Material either to the acceptance of the risk, or to the hazard assumed by us; and 3. We in good faith would not have issued the policy, or would not have issued a policy in as large and amount, or would not have provided coverage with respect to the hazard resulting in the loss, if the true facts had been made known to us and required by this application for the policy or otherwise.

This policy does not cover Pre-Existing Conditions during the first six months starting from the date your policy is effective. After the policy is effective, if a rider is added to this policy, or benefits are increased under the policy or any attached Rider, we will not pay the increased benefits for any loss for Pre-Existing Conditions during the first six months after the date the increased benefits become effective.

THIS IS A SUPPLEMENT TO HEALTH INSURANCE AND IS NOT A SUBSTITUTE FOR MAJOR MEDICAL COVERAGE. LACK OF MAJOR MEDICAL COVERAGE (OR OTHER MINIMUM ESSENTIAL COVERAGE) MAY RESULT IN AN ADDITIONAL PAYMENT WITH YOUR TAXES.

The policy provides limited benefits. Review your policy carefully.

I acknowledge that in states where it is required, the producer made the necessary inquiries concerning my insurance needs and proposed a program of insurance which is suitable for my needs. I am applying for this Hospital Indemnity Insurance Policy with limited benefits.
