### Benefit Chart of Medicare Supplement Plans Sold on or after January 1, 2020

This chart shows the benefits included in each of the standard Medicare supplement plans. Some plans may not be available. Only applicants **first** eligible for Medicare before 2020 may purchase Plans C, F, and high deductible F.

Note: A ✓ means 100% of this benefit is paid.

<sup>1</sup> Plans F and G also have a high deductible option which require first paying a plan deductible of \$2800 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

<sup>2</sup> Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

<sup>3</sup> Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

# New Offering Your Plan and Rate

UnitedHealthcare Insurance Company of America (UnitedHealthcare)

## 1 Review plans

You'll find all of the AARP Medicare Supplement Insurance Plans from **UnitedHealthcare Insurance Company of America (UnitedHealthcare)** listed on the page titled "Overview of Available Plans" in this section. Please see the Plan Benefit Tables for the coverage details for each plan. Eligibility for certain plans depends on your age and/or your Medicare Part A effective date.

## 2 Discover your rate with applicable discounts

Your rate for the plan you select will be based on several factors, including your age on the plan effective date, gender, tobacco usage, Medicare Part B effective date, and eligibility for certain discounts.

### Enrollment Discount

#### For Applicants Age 65 and Older:

- Determine your age as of the date you expect your coverage to begin.
- Use the chart below to determine which rate Group applies to you.
- Go to the rate pages to locate your rate, based on your gender, non-tobacco or tobacco usage,\* and the rate Group that applies to you.

If the time period between your plan effective date and your 65th birthday (or your Medicare Part B effective date – whichever is later) is:	
Number of years:	You are in:
Less than 15	Group 1
15 or more	Group 2

If you are in **Group 1** and **under age 86**, you may be eligible for the current Standard Rate with the Enrollment Discount. The Enrollment Discount applies if you are between the ages of 65 and 85 and your plan effective date is within 15 years following your 65th birthday (or your Medicare Part B effective date, if later), and you do not have any medical conditions on the application that would qualify you for the Level 2 rate. You can find information about the Enrollment Discount on the back of this page. Your answers to the medical questions on the application may also affect your monthly premium as the rate page indicates.

### Multi-Insured Discount

You may also take **15%** off the Enrollment Discounted rate, where applicable, if two or more members are enrolled under the same AARP membership number and each is insured under an eligible AARP-branded supplemental insurance policy from UnitedHealthcare.

## 3 Enroll

After you choose a plan and find your specific rate, simply fill out the application and any additional required forms in this booklet with your licensed insurance agent and send them in using the enclosed postage-paid reply envelope. Or, you can conveniently enroll online with the guidance of your licensed insurance agent.

\*You are eligible for a non-tobacco rate if you have not smoked tobacco cigarettes or used other tobacco products within the past 12 months.

# Understanding the Discounts

## How it works

The Enrollment Discount is applied to the current Standard Rate, which usually changes each year. The discount you receive in your first year of coverage depends on your age as of your plan effective date. The discount is 45% at ages 65 through 67. The discount percentage reduces by 2% each year on the anniversary date of your plan from age 68 to age 79 and then by 3% from age 80 until it reaches 0% on the anniversary date of your plan on or after age 86. Please keep this in mind when budgeting for your health insurance expenses.

The **Multi-Insured Discount** is taken off of the Enrollment Discounted rate, where applicable.

### Example 1: Meet Jill\*

- Plan Effective Date: January 1st
- Jill's age on her Plan Effective Date: 66
- Time since her Medicare Part B enrollment: 1 year
- No medical conditions listed on the application
- Enrolled with another member under the same AARP membership number and each member is insured under an eligible plan.

### Jill is eligible for the Enrollment Discount and Multi-Insured Discount

- Age discount will begin: 66
- Starting Enrollment Discount: **45%**
- Enrollment Discount will change to 43% on her plan anniversary date of January 1 of the year Jill is age 68
- Multi-Insured Discount off the Enrollment Discounted rate: **15%**

### Example 2: Meet Harry\*

- Plan Effective Date: June 1st
- Harry's age on his Plan Effective Date: 81
- Time since his Medicare Part B enrollment: 16 years
- No medical conditions listed on the application
- Lives with an AARP member who is not enrolled under an eligible plan.

### Harry is not eligible for the Enrollment Discount or Multi-Insured Discount

Although Harry does not have a medical condition listed on the application, it has been more than 15 years since he enrolled in Medicare Part B, so he is not eligible for the Enrollment Discount. Harry is not eligible for the Multi-Insured Discount since he is not enrolled under the same AARP membership number as another eligible, insured plan member.

### Example 3: Meet Anne\*

- Enrollment Discount will change to 41% on her plan anniversary date of May 1 of the year Anne is age 69

#### Anne is not eligible for the Multi-Insured Discount.

Anne does not live with another member under an eligible plan.

Tobacco Rates do not apply during open enrollment or guaranteed issue situations

1 Your age as of your plan effective date.

2 Refer to the application.

3 The **Enrollment Discount** applies if you are between the ages of 65 and 85 and your plan effective date is within fifteen years following your 65th birthday (or your Medicare Part B effective date, if later), and you do not have any medical conditions on the application that would qualify you for the Level 2 rate.

Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. The discount is 45% at ages 65 through 67. The discount percentage reduces by 2% each year on the anniversary date of your plan from age 68 to age 79 and then by 3% from age 80 until it reaches 0% on the anniversary date of your plan on or after age 86.

4 Plan F is available only to applicants eligible for Medicare prior to 1/1/2020.

5 Level 1 Rates apply to individuals whose plan effective date will be fifteen or more years following their 65th birthday (or Medicare Part B effective date, if later). Level 1 Rates are for individuals whose acceptance is guaranteed or who do not have any of the medical conditions on the application.

6 Level 2 Rates apply to individuals whose acceptance is not guaranteed and who have one or more of the medical conditions on the application.

2 Refer to the application.

3 The **Enrollment Discount** applies if you are between the ages of 65 and 85 and your plan effective date is within fifteen years following your 65th birthday (or your Medicare Part B effective date, if later), and you do not have any medical conditions on the application that would qualify you for the Level 2 rate.

Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. The discount is 45% at ages 65 through 67. The discount percentage reduces by 2% each year on the anniversary date of your plan from age 68 to age 79 and then by 3% from age 80 until it reaches 0% on the anniversary date of your plan on or after age 86.

4 Plan F is available only to applicants eligible for Medicare prior to 1/1/2020.

5 Level 1 Rates apply to individuals whose plan effective date will be fifteen or more years following their 65th birthday (or Medicare Part B effective date, if later). Level 1 Rates are for individuals whose acceptance is guaranteed or who do not have any of the medical conditions on the application.

6 Level 2 Rates apply to individuals whose acceptance is not guaranteed and who have one or more of the medical conditions on the application.

# Your Guide to AARP Medicare Supplement Insurance Plans

To help you choose the AARP Medicare Supplement Plan, insured by UnitedHealthcare Insurance Company of America (UnitedHealthcare), to best meet your needs and budget, be sure to look at the information shown in this Guide and the other documents that show the expenses that Medicare pays, the benefits each Plan pays and the costs you will have to pay yourself. Also, be sure to review the Monthly Premium information. **Benefits and cost vary depending upon the Plan selected.**

## Eligibility to Apply

**You are eligible to apply if you are an AARP member age 50 or older or an AARP member's spouse of any age.** (If you are eligible for Medicare by reason of disability or End-Stage Renal Disease (ESRD) and you are age 50 to 64 **or** an AARP member's spouse under the age of 65, you are only eligible if you enrolled in Medicare Part B within the last 6 months, unless you are entitled to guaranteed acceptance in certain Plans as shown in "Your Guide".)

## Guaranteed Acceptance

- Your acceptance in any plan for which you're eligible to enroll is guaranteed during your **Medicare Supplement Open Enrollment Period**, which lasts for 6 months beginning with the first day of the month in which you are both age 65 or older and enrolled in Medicare Part B.
- **There is also an annual 45-day Birthday Enrollment Period for those age 65 to 75** who are replacing an AARP Medicare Supplement Plan or an AARP Medicare Select Plan and your Application Form is received during the 30 days prior to and no later than 44 days after your birth date.
  - If you **enrolled in Medicare Part A before 1/1/2020** and the previous Plan you had was an AARP Medicare Supplement Plan or an AARP Medicare Select Plan, you may apply for AARP Medicare Supplement Plan A, F, G or N that has equal or lesser benefits than your current Plan without having to answer health questions. If you choose to apply for a Plan that has more benefits than your previous Plan, you may have to answer health questions.
  - If you **enrolled in Medicare Part A on or after 1/1/2020** and the previous Plan you had was an AARP Medicare Supplement Plan or AARP Medicare Select Plan, you may apply for AARP Medicare Supplement Plan A, G or N that has equal or lesser benefits than your current Plan without having to answer health questions. If you choose to apply for a Plan that has more benefits than your previous Plan, you may have to answer health questions.
- Also, you may have a guaranteed issue right to enroll in a Medicare supplement plan in certain situations. Some examples:
  - You have a specific type of health insurance coverage that changes in some way, such as a loss of the coverage, or
  - You enrolled with a "trial right" to try a Medicare Advantage Plan but change your mind and want to switch back to a Medicare supplement plan during the trial period.

If you received a notice from your employer or prior insurer saying you are eligible for guaranteed issue of a Medicare supplement plan, you may be guaranteed acceptance into one or more AARP Medicare Supplement Plans. **If you have a guaranteed issue right, you must provide a copy of the notice, disenrollment letter or other documentation you received AND your Application Form must be received no more than 63 days after the termination date of your prior coverage. The documentation should include the type of coverage being lost, the termination reason, the termination date and the name of the person(s) who lost or is losing coverage.**

If you have questions about guaranteed issue rights, please see *The Guide to Health Insurance for People with Medicare*, which can be found at [www.medicare.gov/publications](http://www.medicare.gov/publications). You may also want to contact the administrator of your prior health insurance plan or your local state department on aging.

## Exclusions

- Benefits provided under Medicare.
- Care not meeting Medicare's standards.
- Injury or sickness payable by Workers' Compensation or similar laws.
- Stays or treatment provided by a government-owned or -operated hospital or facility unless payment of charges is required by law.
- Stays, care, or visits for which no charge would be made to you in the absence of insurance.
- Any stay which begins, or medical expenses you incur, during the first 6 months after your effective date will not be considered if due to a pre-existing condition. A pre-existing condition is a condition for which medical advice was given or treatment was recommended by or received from a physician within 6 months prior to your plan's effective date.

The following individuals are entitled to a waiver of this pre-existing condition exclusion:

1. Individuals who are replacing prior creditable coverage within 63 days after termination; or
2. Individuals who are turning age 65 and whose application form is received within six (6) months after they turn 65 AND are enrolled in Medicare Part B; or
3. Individuals who are entitled to Guaranteed Issue; or
4. Individuals who have been covered under other health insurance coverage within the last 63 days and have enrolled in Medicare Part B within the last 6 months.

Other exclusions may apply; however, in no event will your plan contain coverage limitations or exclusions for the Medicare Eligible Expenses that are more restrictive than those of Medicare. Benefits and exclusions paid by your plan will automatically change when Medicare's requirements change.

## **You Cannot Be Singled Out for Cancellation**

---

Your AARP Medicare Supplement Plan cannot be canceled because of your age, your health, or the number of claims you make. Your AARP Medicare Supplement Plan may be canceled due to nonpayment of premium or material misrepresentation. If the group policy terminates and is not replaced by another group policy providing the same type of coverage, you may convert your AARP Medicare Supplement Plan to an individual Medicare supplement policy issued by UnitedHealthcare. Of course, you may cancel your AARP Medicare Supplement Plan any time you wish. All transactions go into effect on the first of the month following receipt of the request.

The AARP Medicare Supplement Insurance Plan is insured by UnitedHealthcare, not by AARP or its affiliates. Please contact UnitedHealthcare if you have questions about your policy, including any limitations and exclusions.

Premiums are collected from you by the Trust. These premiums are paid to the insurance company for your insurance coverage, a percentage is used to pay expenses, benefitting the insureds, and incurred by the Trust in connection with the insurance programs. At the direction of UnitedHealthcare, a portion of the premium is paid as a royalty to AARP and used for the general purposes of AARP. Income earned from the investment of premiums while on deposit with the Trust is paid to AARP and used for the general purposes of AARP.

Participants are issued certificates of insurance by UnitedHealthcare under the master group insurance policy. The benefits of participating in an insurance program carrying the AARP name are solely the right to receive the insurance coverage and ancillary services provided by the program.

### PREMIUM INFORMATION

We, UnitedHealthcare Insurance Company of America, can only raise your premium if we raise the premium for all policies like yours in this state. If you qualify for an Enrollment Discount based upon your age and your Medicare Part B effective date, your premium may increase as your Enrollment Discount reduces or runs out when you age.

The Monthly Plan Rate may be reduced when you qualify for a discount:

- **Multi-Insured Discount**  
A 15% discount is applied if two or more AARP members are insured under an eligible AARP-branded supplemental insurance policy insured by UnitedHealthcare Insurance Company of America or an affiliate ("UnitedHealthcare") under the same AARP membership number and share a household address. Eligibility for this discount will no longer apply if only one insured remains on the account (other than in the case of death).
- **Electronic Funds Transfer (EFT) Discount**  
A \$4.00 discount is applied when your monthly payments are automatically forwarded by your bank (without payment by check).

Other Discount:

- **Annual Payer Discount**  
A \$24.00 per year per household discount is applied when you pay your entire 12 months of premium (June through May) in June.  
**Note:** The EFT Discount and the Annual Payer Discount cannot be combined.

### DISCLOSURES

Use this outline to compare benefits and premiums among policies.

---

### READ YOUR CERTIFICATE VERY CAREFULLY

This is only an outline describing your certificate's most important features. The certificate is your insurance contract. You must read the certificate itself to understand all of the rights and duties of both you and your insurance company.

---

### RIGHT TO RETURN CERTIFICATE

If you find that you are not satisfied with your coverage, you may return the certificate to:

UnitedHealthcare  
PO BOX 30607  
Salt Lake City, UT 84130-0607

If you send the certificate back to us within 30 days after you receive it, we will treat the certificate as if it had never been issued and return all of your premium payments. However, UnitedHealthcare has the right to recover any claims paid during that period. Any premium refund otherwise due to you will be reduced by the amount of any claims paid during this period. If you have received claims payment in excess of the amount of your premium, no refund of premium will be made.

---

### POLICY REPLACEMENT

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new certificate and are sure you want to keep it.

---

### NOTICE

## Your past and current coverage

### Review the statements.

- You do not need more than one Medicare supplement policy.
- You may want to evaluate your existing health coverage and decide if you need multiple coverages.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

## AUTOMATIC PAYMENT AUTHORIZATION FORM

☐ I allow UnitedHealthcare Insurance Company and its affiliates, together known as “UnitedHealthcare” to take monthly withdrawals, for the then-current monthly rate, from the account named on this form. I also allow the named banking facility (BANK) to charge such withdrawals to this account.

Monthly withdrawal amounts will be for the total household payment due each month. This will include premiums for a spouse or other member(s) of the household on the same membership account. This authority is active until UnitedHealthcare and the BANK receive notice from me to end withdrawals in enough time to give UnitedHealthcare and the BANK a reasonable opportunity to act on it. I have the right to stop payment of a withdrawal by giving notice to the BANK in such time as to give the BANK a reasonable opportunity to act upon it. I understand such action may make the health care insurance coverage past due and subject to cancellation.

**NOTICE TO APPLICANT REGARDING REPLACEMENT OF  
MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE  
UNITEDHEALTHCARE INSURANCE COMPANY OF AMERICA**

Horsham, Pennsylvania

**Save this notice! It may be important to you in the future**

According to the information you furnished, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by UnitedHealthcare Insurance Company of America. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

**Statement To Applicant By Issuer, Agent, Broker Or Other Representative:**

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement policy or leave your Medicare Advantage plan. The replacement policy is being purchased for one of the following reasons (check one):

- |  |   |
|--|---|
| <input type="checkbox"/> Additional benefits.  | <input type="checkbox"/> Disenrollment from a Medicare Advantage plan. Please explain reason for Disenrollment. |
| <input type="checkbox"/> No change in benefits, but lower premiums.                                      | <input type="checkbox"/> Other (Please Specify) _____   |
| <input type="checkbox"/> Fewer benefits and lower premiums   | _____   |
| <input type="checkbox"/> My plan has outpatient prescription drug coverage and I am enrolling in Part D. | _____   |

- |   |   |
|---|---|
| <p>1. Health conditions which you may presently have (Pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.</p> <p>2. State law provides that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits</p> | <p>to the extent such time was spent (depleted) under the original policy.</p> <p>3. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.</p> |
|---|---|

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.
