# Your Plan and Rate

## 1 Review plans

You'll find all of the AARP Medicare Supplement Insurance Plans listed on the page titled "Overview of Available Plans" in this section. Please see the Plan Benefit Tables, also in this section, for the coverage details for each plan. Eligibility for certain plans depends on your age and/or your Medicare Part A effective date.

## 2 Discover your rate with applicable discounts

Your rate for the plan you select will be based on several factors, including your age on the plan effective date, gender, tobacco usage, Medicare Part B effective date, and eligibility for certain discounts.

### Enrollment Discount

#### For Applicants Age 65 and Older:

- Determine your age as of the date you expect your coverage to begin.
- Use the chart below to determine which rate Group applies to you.
- Go to the rate pages (in this section) to locate your rate, based on your gender, non-tobacco or tobacco usage,\* and the rate Group that applies to you.

If the time period between your plan effective date and your 65th birthday (or your Medicare Part B effective date – whichever is later) is:	
Number of years:	You are in:
Less than 10	Group 1
10 or more	Group 2

If you are in Group 1 and under age 81, you may be eligible for the current Standard Rate with the Enrollment Discount. You can find information about the Enrollment Discount and the eligibility requirements on the back of this page. Your answers to the medical questions on the application will also affect your monthly premium as the rate page indicates.

### Multi-Insured Discount

You may also take **7%** off the Standard Rate if two or more members are enrolled under the same AARP membership number and each is insured under an eligible AARP-branded supplemental insurance policy insured by UnitedHealthcare Insurance Company.

## 3 Enroll

After you choose a plan and find your specific rate, simply fill out the application and any additional required forms in this booklet and send them in using the enclosed postage-paid reply envelope. Or, you can conveniently enroll online with the guidance of your licensed insurance agent. See the *Enrollment Checklist* enclosed in the "Forms" section of this booklet for the list of items to complete and submit with your application.

\*You are eligible for a non-tobacco rate if you have not smoked tobacco cigarettes or used other tobacco products within the past 12 months. Do not choose the rate for tobacco users if you are eligible for guaranteed acceptance based on the information shown on your Application Form.

# Understanding the Discounts

## Eligibility

You may be eligible for the Enrollment Discount if your age on your plan effective date is:

- 65 to 74 and you do not have any of the medical conditions listed on the application.
- 75 to 80 and your plan effective date is within 10 years of your Medicare Part B effective date and you do not have any of the medical conditions listed on the application.

Note: Medical questions do not apply to you if your plan effective date is within 6 months of your Medicare Part B effective date or you meet a guaranteed issue situation.

You may be eligible for the Multi-Insured Discount if two or more members are enrolled under the same AARP membership number and each is insured under an eligible AARP-branded supplemental insurance policy insured by UnitedHealthcare Insurance Company.

## How it works

The Enrollment Discount is applied to the current Standard Rate, which usually changes each year. The discount you receive in your first year of coverage depends on your age on your coverage effective date and decreases 3% each year, after age 68, on the anniversary date of your coverage. Please note that as the discount decreases on your plan's anniversary date, your monthly premium will increase; this may happen at a time other than the Plan's annual rate change. Please keep this in mind when budgeting for your health insurance expenses.

The Multi-Insured Discount is taken off of the Standard Rate.

### Example 1: Meet Jill\*

- Plan Effective Date: January 1st
- Jill's age on her Plan Effective Date: 66
- Time since her Medicare Part B enrollment: 1 year
- No medical conditions listed on the application
- Enrolled with another member under the same AARP Membership number and each member is insured under an eligible plan.

#### Jill is eligible for the Enrollment Discount and Multi-Insured Discount

- Age discount will begin: 66
- Starting Enrollment Discount: 39%
- Enrollment Discount will change to 36% on her plan anniversary date of January 1 of the year Jill is age 69
- Multi-Insured Discount off the Standard Rate: 7%

### Example 2: Meet Harry\*

- Plan Effective Date: June 1st
- Harry's age on his Plan Effective Date: 79
- Time since his Medicare Part B enrollment: 11 years
- No medical conditions listed on the application
- Enrolled under own AARP Membership Number

#### Harry is not eligible for the Enrollment Discount or Multi-Insured Discount

Although Harry does not have a medical condition listed on the application, it has been more than 10 years since he enrolled in Medicare Part B so he is not eligible for the Enrollment Discount. Harry is not eligible for the Multi-Insured Discount since he is not enrolled with another member under the same AARP Membership Number.

	Age on Plan Effective Date	Enrollment Discount	Multi-Insured Discount

1 Your age as of your plan effective date.

2 The **Enrollment Discount** is available to applicants age 65 to 80. You may qualify for an Enrollment Discount based on your age and your Medicare Part B effective date. If you are eligible, the discounted rates will be shown.

### Who is eligible

You are eligible for the enrollment discount if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday or Medicare Part B effective date, if later, and you do not have any medical conditions on the application that would qualify you for the Level 2 rate.

The Level 2 rates do not apply to individuals who meet Medigap Open Enrollment or Guaranteed Issue.

### How it works

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until the discount runs out.

3 Refer to the application.

4 **IMPORTANT:** Plans C and F are only available to eligible Applicants (a) with a 65th birthday prior to 1/1/2020 or (b) with a Medicare Part A effective date prior to 1/1/2020.

1 Your age as of your plan effective date.

2 The **Enrollment Discount** is available to applicants age 65 to 80. You may qualify for an Enrollment Discount based on your age and your Medicare Part B effective date. If you are eligible, the discounted rates will be shown.

### Who is eligible

You are eligible for the enrollment discount if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday or Medicare Part B effective date, if later, and you do not have any medical conditions on the application that would qualify you for the Level 2 rate.

The Level 2 rates do not apply to individuals who meet Medigap Open Enrollment or Guaranteed Issue.

### How it works

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until the discount runs out.

3 Refer to the application.

4 **IMPORTANT:** Plans C and F are only available to eligible Applicants (a) with a 65th birthday prior to 1/1/2020 or (b) with a Medicare Part A effective date prior to 1/1/2020.

1 Your age as of your plan effective date.

2 The **Enrollment Discount** is available to applicants age 65 to 80. You may qualify for an Enrollment Discount based on your age and your Medicare Part B effective date. If you are eligible, the discounted rates will be shown.

**Who is eligible**

You are eligible for the enrollment discount if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday or Medicare Part B effective date, if later, and you do not have any medical conditions on the application that would qualify you for the Level 2 rate.

The Level 2 rates do not apply to individuals who meet Medigap Open Enrollment or Guaranteed Issue.

**How it works**

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until the discount runs out.

3 Refer to the application.

4 **IMPORTANT:** Plans C and F are only available to eligible Applicants (a) with a 65th birthday prior to 1/1/2020 or (b) with a Medicare Part A effective date prior to 1/1/2020.

#### Notes

**1** A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.

**2 NOTICE:** When your Medicare Part A hospital benefits are exhausted, the insurer stands in place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time, the hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.

### Notes

**1** A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.

**2 NOTICE:** When your Medicare Part A hospital benefits are exhausted, the insurer stands in place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time, the hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.

# Your Guide to AARP Medicare Supplement Insurance Plans

To help you choose the AARP Medicare Supplement Plan, insured by UnitedHealthcare Insurance Company (UnitedHealthcare), to best meet your needs and budget, be sure to look at the information shown in this Guide and the other documents that show the expenses that Medicare pays, the benefits each Plan pays and the costs you will have to pay yourself. Also, be sure to review the Monthly Premium information. **Benefits and cost vary depending upon the Plan selected.**

## Eligibility to Apply

To be eligible to apply, you must be an AARP member or spouse of a member, age 50 or older, enrolled in both Part A and Part B of Medicare, and not duplicating any Medicare supplement coverage. (If you are age 50-64 and eligible for Medicare by reason of disability or End-Stage Renal Disease, you are only eligible if you enrolled in Medicare Part B within the last 6 months, unless you are entitled to Guaranteed Acceptance as shown in the following "Guaranteed Acceptance" section.)

## Guaranteed Acceptance

- Your acceptance in any plan for which you're eligible to enroll is guaranteed during your **Medicare Supplement Open Enrollment Period**, which lasts for 6 months beginning with the first day of the month in which you are both age 65 or older and enrolled in Medicare Part B.
- Also, you may have a guaranteed issue right to enroll in a Medicare supplement plan in certain situations. Some examples:
  - you have a specific type of health insurance coverage that changes in some way, such as a loss of the coverage, or
  - you enrolled with a "trial right" to try a Medicare Advantage Plan but change your mind and want to switch back to a Medicare supplement plan during the trial period.

If you received a notice from your employer or prior insurer saying you are eligible for guaranteed issue of a Medicare supplement plan, you may be guaranteed acceptance into one or more AARP Medicare Supplement Plans. **If you have a guaranteed issue right, you must provide a copy of the notice, disenrollment letter or other documentation you received AND your Application Form must be received no more than 63 days after the termination date of your prior coverage. The documentation should include the type of coverage being lost, the termination reason, the termination date and the name of the person(s) who lost or is losing coverage.**

If you have questions about guaranteed issue rights, please see *The Guide to Health Insurance for People with Medicare*, which can be found at [www.medicare.gov/publications](http://www.medicare.gov/publications). You may also want to contact the administrator of your prior health insurance plan or your local state department on aging.

## Exclusions

- Benefits provided under Medicare.
- Care not meeting Medicare's standards.
- Injury or sickness payable by Workers' Compensation or similar laws.
- Stays or treatment provided by a government-owned or -operated hospital or facility unless payment of charges is required by law.
- Stays, care, or visits for which no charge would be made to you in the absence of insurance.
- Any stay which begins, or medical expenses you incur, during the first 3 months after your effective date will not be considered if due to a pre-existing condition. A pre-existing condition is a condition for which medical advice was given or treatment was recommended by or received from a physician within 3 months prior to your plan's effective date.

The following individuals are entitled to a waiver of this pre-existing condition exclusion:

1. Individuals who are replacing prior creditable coverage within 63 days after termination; or
2. Individuals who are turning age 65 and whose application form is received within six (6) months after they turn 65 AND are enrolled in Medicare Part B; or
3. Individuals who are entitled to Guaranteed Issue; or
4. Individuals who have been covered under other health insurance coverage within the last 63 days and have enrolled in Medicare Part B within the last 6 months.

Other exclusions may apply; however, in no event will your plan contain coverage limitations or exclusions for the Medicare Eligible Expenses that are more restrictive than those of Medicare. Benefits and exclusions paid by your plan will automatically change when Medicare's requirements change.

## You Cannot Be Singled Out for Cancellation

Your AARP Medicare Supplement Plan cannot be canceled because of your age, your health, or the number of claims you make. Your AARP Medicare Supplement Plan may be canceled due to nonpayment of premium or material misrepresentation. If the group policy terminates and is not replaced by another group policy providing the same type of coverage, you may convert your AARP Medicare Supplement Plan to an individual Medicare supplement policy issued by UnitedHealthcare. Of course, you may cancel your AARP Medicare Supplement Plan any time you wish. All transactions go into effect on the first of the month following receipt of the request.

## The AARP Insurance Trust

---

Please contact UnitedHealthcare if you have questions about your policy, including any limitations and exclusions.

Premiums are collected from you by the Trust. Income earned from the investment of premiums while on deposit with the Trust is paid to AARP and used for the general purposes of AARP.

Participants are issued certificates of insurance by UnitedHealthcare under the master group insurance policy. The benefits of participating in an insurance program carrying the AARP name are solely the right to receive the insurance coverage and ancillary services provided by the program.

## 9 Your past and current coverage

### Review the statements.

- You do not need more than one Medicare supplement policy.
- You may want to evaluate your existing health coverage and decide if you need multiple coverages.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

# Save \$24 a year with the Electronic Funds Transfer (EFT) service

---

## The Easiest Way to Pay

Enjoy the convenience of the EFT option. With EFT, your monthly payment will automatically be deducted from your checking or savings account. Also, you'll save \$2.00 off the total monthly premium for your household.

## In addition to saving up to \$24 a year:

- You'll save on the cost of checks and rising postal rates.
- You don't have to take time to write a check each month.
- You don't have to worry about mailing a payment if you travel or become ill, because your payment is always deducted on or about the fifth day of each month.

## Signing Up is Easy

Complete the Automatic Payment Authorization Form on the reverse side. Return it with the application and be sure to keep a copy for your records. Please be sure the information is clear, as it is required for processing your request for EFT. Please do not include a check. All that is required is the EFT Authorization details noted on the back.

## Your EFT Effective Date

If you are submitting this EFT form with your enrollment application, your automatic payment start date will be the same as your plan effective date. A letter will be sent to confirm this and will include the amount of your withdrawal. Please note that if your coverage is effective in the future or your account is paid in advance, EFT withdrawals will begin for the next payment due. If your account is effective in the past or is past due, a letter will be sent that explains how to make the payment that is due.

I have the right to stop payment of a withdrawal by giving notice to the BANK in such time as to give the BANK a reasonable opportunity to act upon it. I understand such action may make the health care insurance coverage past due and subject to cancellation.

**NOTICE TO APPLICANT REGARDING REPLACEMENT OF  
MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE  
UNITEDHEALTHCARE INSURANCE COMPANY**

Horsham, Pennsylvania

**Save this notice! It may be important to you in the future**

According to the information you furnished, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by UnitedHealthcare Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

**Statement To Applicant By Issuer, Producer Or Other Representative:**

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement policy or leave your Medicare Advantage plan. The replacement policy is being purchased for one of the following reasons (check one):

- \_\_\_\_\_ Additional benefits.
- \_\_\_\_\_ No change in benefits, but lower premiums.
- \_\_\_\_\_ Fewer benefits and lower premiums
- \_\_\_\_\_ My plan has outpatient prescription drug coverage and I am enrolling in Part D.

- \_\_\_\_\_ Disenrollment from a Medicare Advantage plan. Please explain reason for Disenrollment.
- \_\_\_\_\_ Other (Please Specify) \_\_\_\_\_

1. Health conditions which you may presently have (Pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. State law provides that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to

the extent such time was spent (depleted) under the original policy.

3. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.
