### IMPORTANT STATEMENTS TO BE READ BY APPLICANT

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- You may be eligible for benefits under Medicaid and may not need a Medicare Supplement Insurance Policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement Insurance Policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted, if requested, within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available a substantially equivalent policy) will be reinstituted, if requested, within 90 days of losing your employer or union based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of a Medicare Supplement Insurance policy and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

## AUTHORIZATION AND CERTIFICATION

It is very important that you review your application carefully. Misstatements or omissions could cause an otherwise valid claim to be denied. I authorize any health plan, physician, health care professional, hospital, clinic, laboratory, pharmacy or pharmacy benefit manager, medical facility, or other health care provider that has provided payment, treatment or services to me or on my behalf within the past 10 years ("my providers") to disclose my entire medical record, prescription history, medications prescribed and any other health information concerning me ("protected health information") to the Company. I also authorize any insurance company or insurance producer from which I have applied for or obtained insurance, any consumer reporting agency such as MIB, LLC, and any other entity or person having protected health information about me, to disclose it to the Company. Protected health information includes information on the diagnosis or treatment of Human Immunodeficiency Virus (HIV) infection and sexually transmitted diseases. Protected health information also includes information on the diagnosis and treatment of mental illness and the use of alcohol, drugs, and tobacco, but excludes psychotherapy notes.

By my signature below, I acknowledge that any agreements I have made to restrict my protected health information do not apply to this authorization and I instruct my providers and other entities or persons referred to above to release and disclose my entire medical record without restriction.

I further authorize the disclosure of protected health information by the Company to its affiliates, service providers, reinsurers, insurance producers and representatives, and to any consumer reporting agency such as MIB, LLC.

I understand that this protected health information is to be used or disclosed under this authorization so that the Company may: 1) underwrite my application for insurance, make eligibility, risk rating, and policy issuance determinations; 2) obtain reinsurance; 3) administer claims and determine or fulfill responsibility for coverage and provision of benefits; 4) administer coverage; and 5) conduct other legally permissible activities that relate to any coverage I have or have applied for with the Company.

This authorization shall remain in force for 24 months following the date of my signature below, and a copy of this authorization is as valid as the original. I understand that I have the right to revoke this Authorization in writing, at any time, by sending a written request for revocation to Company at their Medicare Supplement Administrative Office: P.O. Box 10856, Clearwater, Florida 33757-8856. I understand that a revocation is not effective to the extent that any person or entity has already relied on this authorization to disclose or use information about me or to the extent that the Company has a legal right to contest a claim under an insurance policy or to contest the policy itself. I understand that if any of my protected health information is re-disclosed, it may no longer be protected by federal rules governing privacy and confidentiality of health information.

I understand that my providers may not refuse to provide treatment or payment for health care services if I refuse to sign this authorization. I further understand that if I refuse to sign this Authorization to release my complete medical record, the Company may not be able to process my application, or if coverage has been issued, may not be able to make any benefit payments. I understand and acknowledge that I or any authorized representative will receive or have received a copy of this authorization. A photocopy of this authorization will be treated in the same manner as the original.

**It is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits.**
