Part F: Notices

You do not need more than one Medicare Supplement policy.

If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.

You may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy.

If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare Supplement policy (or if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but it will otherwise be substantially equivalent to your coverage before the date of the suspension.

If you are eligible for, and have enrolled in, a Medicare Supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement policy under these circumstances and later lose your employer or union-based group health plan, your suspended Medicare Supplement policy (or if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but it will otherwise be substantially equivalent to your coverage before the date of the suspension.

Counseling services may be available in your state to provide advice concerning your purchase of Medicare Supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

Replacement Notice

Notice to Applicant Regarding Replacement of Medicare Supplement or Medicare Advantage

Save this notice! It may be important to you in the future.

According to your application or information you have furnished, you intend to terminate existing Medicare Supplement or Medicare Advantage insurance and replace it with a policy to be issued by Medico Insurance Company. Your new policy will provide 30 days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that the purchase of this Medicare Supplement coverage is a wise decision, you should terminate your present Medicare Supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

STATEMENT TO APPLICANT BY ISSUER OR PRODUCER:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare Supplement policy will not duplicate your existing Medicare Supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare Supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reason. (check one):

- ☐ Additional benefits.
- ☐ No change in benefits, but lower premiums.
- ☐ Fewer benefits and lower premiums.
- ☐ My plan has outpatient prescription drug coverage, and I am enrolling in Part D.
- ☐ Disenrollment from a Medicare Advantage plan. (please explain reason for disenrollment)

☐ Other (please specify)

If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.

¹Plans F and G also have a high deductible option which require first paying a plan deductible of \$2,800 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

²Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

Premium Information

We, Medico Insurance Company, guarantee to renew your policy for life as long as the premium is paid when due.

We can only raise your premium if we raise the premium for all policies like yours in this state. If it is necessary to change the premium for your policy, we will notify you 60 days in advance of the change in premium.

Household Premium Discount

Although these policy types are issued individually, when you live in the same household with another person who is age 50 or older, regardless of whether they sign up for coverage with us, a discount is applied to your premium rates.

Disclosures

Use this outline to compare benefits and premiums among policies.

Read Your Policy Very Carefully

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

Right To Return Policy

When you receive your policy, please review it along with the attached application. If you find that you are not satisfied with your policy, you may return it to us at P.O. Box 10386, Des Moines, IA 50306. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments, less any claims paid.

Policy Replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice

This policy may not fully cover all of your medical costs.

Neither Medico Insurance Company nor its producers are connected with Medicare.

This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult "Medicare and You" for more details.

Complete Answers Are Very Important

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The Company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Medical and health history questions are not required to be answered on the application if you apply during Open Enrollment or if you are eligible for a Guaranteed Issue.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

Georgia

Medicare Supplement Rates

Plans A, F, HdF, G, HdG, and N

Effective 2-1-2024

How to calculate the premium

Utilize QuickQuote.myenroller.com or the worksheet below to calculate the premium.

Step 1: Find the monthly base premium rate

Find the monthly premium rate on the following tables based on the plan, applicant's age, gender, and ZIP code. Write the monthly base premium rate on line 1 below.

Step 2: Determine the rate class

Write 1 on line 2 below for all applicants in an open enrollment or guaranteed issue period.

Write 1.25 on line 2 below for all other applicants who use tobacco.

Use the height and weight chart on page 3 to determine the rate class and factor for all other applicants who don't use tobacco. Write the rate factor on line 2 below.

Step 3: Household discount factor

If the applicant lives in the same household with another person age 50 or older, regardless of whether both sign up for coverage with Medico Insurance Company, a discount is applied to the premium rates. Write 0.9 on line 3 below if the applicant is eligible for the household discount. Write 1 on line 3 below if the applicant is not eligible for the household discount.

Step 4: Find the mode factor

Determine the mode factor for the method of premium payment requested by the applicant. Write the mode factor on line 4 below.

Note: If a method of premium payment is not listed here, it is not available.

Mode factors	
Monthly via automatic bank withdrawal	1
Quarterly via automatic bank withdrawal	3
Semi-annually via automatic bank withdrawal	6
Annually via automatic bank withdrawal	12
Monthly via credit or debit card	1.032
Quarterly via credit or debit card	3.096
Semi-annually via credit or debit card	6.18
Annually via credit or debit card	12.36

Step 5: Calculate the premium

Multiply to determine the premium and round to the nearest cent:

$$\begin{array}{ccccccc} \$ & \underline{\hspace{2cm}} & \times & \underline{\hspace{2cm}} & \times & \underline{\hspace{2cm}} & \times & \underline{\hspace{2cm}} & = \$ & \underline{\hspace{2cm}} \\ \text{Line 1} & & & \text{Line 2} & & \text{Line 3} & & \text{Line 4} & & \text{Final premium} \\ \text{Monthly base premium rate} & & & \text{Rate class factor} & & \text{Household discount factor} & & \text{Mode factor} & & \end{array}$$

Please note: Open Enrollment and guaranteed issue applicants will be rated as preferred rate class. Due to rounding, premium amounts you calculate may differ by a few cents from the final premium.

Height and weight chart

Find the applicant's height in the left column then find their weight in that row. The rate class and factor are shown at the top and bottom of the column.

Rate class →	Decline	Preferred	Standard I	Standard II	Decline
Rate factor →	N/A	1	1.1	1.25	N/A
