Your Guide to AARP Medicare Supplement Insurance Plans

To help you choose the AARP Medicare Supplement Plan, insured by UnitedHealthcare Insurance Company (UnitedHealthcare), to best meet your needs and budget, be sure to look at the information shown in this Guide and the other documents that show the expenses that Medicare pays, the benefits each Plan pays and the costs you will have to pay yourself. Also, be sure to review the Monthly Premium information. **Benefits and cost vary depending upon the Plan selected.**

Eligibility to Apply

To be eligible to apply, you must be an AARP member or spouse of a member, age 50 or older, enrolled in both Part A and Part B of Medicare, and not duplicating any Medicare supplement coverage. (If you are age 50-64 and eligible for Medicare by reason of disability, you are only eligible to apply if you do not have End-Stage Renal Disease, are not currently receiving dialysis, and have not been diagnosed, within the last 90 days, with kidney disease that requires dialysis. You must enroll within 6 months of enrolling in Medicare Part B, unless you are entitled to guaranteed issue of a Medicare supplement plan as shown under the following "Guaranteed Acceptance" section.)

Guaranteed Acceptance

- Your acceptance in any plan for which you're eligible to enroll is guaranteed during your **Medicare Supplement Open Enrollment Period**, which lasts for 6 months beginning with the first day of the month in which you are both age 65 or older and enrolled in Medicare Part B.
- Also, you may have a guaranteed issue right to enroll in a Medicare supplement plan in certain situations. Some examples:
 - you have a specific type of health insurance coverage that changes in some way, such as a loss of the coverage, or
 - you enrolled with a "trial right" to try a Medicare Advantage Plan but change your mind and want to switch back to a Medicare supplement plan during the trial period.

If you received a notice from your employer or prior insurer saying you are eligible for guaranteed issue of a Medicare supplement plan, you may be guaranteed acceptance into one or more AARP Medicare Supplement Plans. **If you have a guaranteed issue right, you must provide a copy of the notice, disenrollment letter or other documentation you received AND your Application Form must be received no more than 63 days after the termination date of your prior coverage. The documentation should include the type of coverage being lost, the termination reason, the termination date and the name of the person(s) who lost or is losing coverage.**

If you have questions about guaranteed issue rights, please see *The Guide to Health Insurance for People with Medicare*, which can be found at www.Medicare.gov/publications. You may also want to contact the administrator of your prior health insurance plan or your local state department on aging.

Exclusions

- Benefits provided under Medicare.
- Care not meeting Medicare's standards.
- Injury or sickness payable by Workers' Compensation or similar laws.
- Stays or treatment provided by a government-owned or -operated hospital or facility unless payment of charges is required by law.
- Stays, care, or visits for which no charge would be made to you in the absence of insurance.
- Any stay which begins, or medical expenses you incur, during the first 3 months after your effective date will not be considered if due to a pre-existing condition. A pre-existing condition is a condition for which medical advice was given or treatment was recommended by or received from a physician within 3 months prior to your plan's effective date.

The following individuals are entitled to a waiver of this pre-existing condition exclusion:

1. Individuals who are replacing prior creditable coverage within 63 days after termination; or

Rules and Disclosures about this Insurance

This page explains important rules governing your Medicare supplement coverage. These rules affect you. Please read them carefully and make sure you understand them before you buy or change any Medicare supplement insurance.

Premium information

You may keep your Medicare supplement plan in force by paying the required monthly premium when due. Monthly rates shown reflect current premium levels and all rates are subject to change. Any change will apply to all members of the same class insured under your plan who reside in your state.

Disclosures

Use the *Overview of Available Plans*, the *Plan Benefit Tables* and *Cover Page - Rates* to compare benefits and premiums among plans.

Read your certificate very carefully

This is only an outline describing your certificate's most important features. The certificate is your insurance contract. You must read the certificate itself to understand all of the rights and duties of both you and your insurance company.

Your right to return the certificate

If you find that you are not satisfied with your coverage, you may return the certificate to:

UnitedHealthcare
PO BOX 30607
Salt Lake City, UT 84130-0607

If you send the certificate back to us within 30 days after you receive it, we will treat the certificate as if it had never been issued and return all of your premium payments. However, UnitedHealthcare has the right to recover any claims paid during that period. Any premium refund otherwise due to you will be reduced by the amount of any claims paid during this period. If you have received claims payment in excess of the amount of your premium, no refund of premium will be made.

Policy replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new certificate and are sure you want to keep it.

Notice

The certificate may not fully cover all of your medical costs. Neither UnitedHealthcare Insurance Company nor its agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult the Centers for Medicare & Medicaid Services (CMS) publication *Medicare & You* for more details.

Complete answers are very important

When you fill out the enrollment application for the new certificate, be sure to answer all questions about your medical and health history truthfully and completely. The company may cancel your certificate and refuse to pay any claims if you leave out or falsify important medical information. Review the enrollment application carefully before you sign it. Be certain that all information has been properly recorded.

Review the statements.

- You may want to evaluate your existing health coverage and decide if you need multiple coverages.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility.

If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

- You don't have to worry about mailing a payment if you travel or become ill, because your payment is always deducted on or about the fifth day of each month.

Signing Up is Easy

Complete the Automatic Payment Authorization Form on the reverse side. Return it with the application and be sure to keep a copy for your records. Please be sure the information is clear, as it is required for processing your request for EFT. Please do not include a check. All that is required is the EFT Authorization details noted on the back.

Your EFT Effective Date

If you are submitting this EFT form with your enrollment application, your automatic payment start date will be the same as your plan effective date. A letter will be sent to confirm this and will include the amount of your withdrawal. Please note that if your coverage is effective in the future or your account is paid in advance, EFT withdrawals will begin for the next payment due. If your account is effective in the past or is past due, a letter will be sent that explains how to make the payment that is due.

AUTOMATIC PAYMENT AUTHORIZATION FORM

☐ I allow UnitedHealthcare Insurance Company (UnitedHealthcare Insurance Company of New York for New York residents), hereafter named UnitedHealthcare, to take monthly withdrawals for the then-current monthly rate from the account named on this form. I also allow the named banking facility (BANK) to charge such withdrawals to this account.

Monthly withdrawal amounts will be for the total household payment due each month. This will include premiums for a spouse or other member(s) of the household on the same membership account. This authority is active until UnitedHealthcare and the BANK receive notice from me to end withdrawals in enough time to give UnitedHealthcare and the BANK a reasonable opportunity to act on it. I have the right to stop payment of a withdrawal by giving notice to the BANK in such time as to give the BANK a reasonable opportunity to act upon it. I understand such action may make the health care insurance coverage past due and subject to cancellation.

Save \$24 a year with the Electronic Funds Transfer (EFT) service

The Easiest Way to Pay

Enjoy the convenience of the EFT option. With EFT, your monthly payment will automatically be deducted from your checking or savings account. Also, you'll save \$2.00 off the total monthly premium for your household.

In addition to saving up to \$24 a year:

- You'll save on the cost of checks and rising postal rates.
- You don't have to take time to write a check each month.
- You don't have to worry about mailing a payment if you travel or become ill, because your payment is always deducted on or about the fifth day of each month.

Signing Up is Easy

Complete the Automatic Payment Authorization Form on the reverse side. Return it with the application and be sure to keep a copy for your records. Please be sure the information is clear, as it is required for processing your request for EFT. Please do not include a check. All that is required is the EFT Authorization details noted on the back.

Your EFT Effective Date

If you are submitting this EFT form with your enrollment application, your automatic payment start date will be the same as your plan effective date. A letter will be sent to confirm this and will include the amount of your withdrawal. Please note that if your coverage is effective in the future or your account is paid in advance, EFT withdrawals will begin for the next payment due. If your account is effective in the past or is past due, a letter will be sent that explains how to make the payment that is due.

AUTOMATIC PAYMENT AUTHORIZATION FORM

☐ I allow UnitedHealthcare Insurance Company (UnitedHealthcare Insurance Company of New York for New York residents), hereafter named UnitedHealthcare, to take monthly withdrawals for the then-current monthly rate from the account named on this form. I also allow the named banking facility (BANK) to charge such withdrawals to this account.

Monthly withdrawal amounts will be for the total household payment due each month. This will include premiums for a spouse or other member(s) of the household on the same membership account. This authority is active until UnitedHealthcare and the BANK receive notice from me to end withdrawals in enough time to give UnitedHealthcare and the BANK a reasonable opportunity to act on it. I have the right to stop payment of a withdrawal by giving notice to the BANK in such time as to give the BANK a reasonable opportunity to act upon it. I understand such action may make the health care insurance coverage past due and subject to cancellation.

**NOTICE TO APPLICANT REGARDING REPLACEMENT OF
MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE
UNITEDHEALTHCARE INSURANCE COMPANY**

Horsham, Pennsylvania

Save this notice! It may be important to you in the future

According to the information you furnished, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by UnitedHealthcare Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

Statement To Applicant By Issuer, Agent, Broker Or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement policy or leave your Medicare Advantage plan. The replacement policy is being purchased for one of the following reasons (check one):

- ☐ Additional benefits.
- ☐ No change in benefits, but lower premiums.
- ☐ Fewer benefits and lower premiums
- ☐ My plan has outpatient prescription drug coverage and I am enrolling in Part D.

- ☐ Disenrollment from a Medicare Advantage plan. Please explain reason for Disenrollment.
- ☐ Other (Please Specify) _____

1. Health conditions which you may presently have (Pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. State law provides that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to

- the extent such time was spent (depleted) under the original policy.
3. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.
