OUTLINE OF MEDICARE SUPPLEMENT COVERAGE

AVAILABLE BENEFIT PLANS: A, C, F, High Deductible F, G, High Deductible G, M, N

Benefit Chart of Medicare Supplement Plans Sold on or after January 1, 2020

This chart shows the benefits included in each of the standard Medicare supplement plans. Every company must make Plan "A" available. Some plans may not be available in your state. Only applicants' first eligible for Medicare before 2020 may purchase Plans C, F, and high deductible F.

Note: A ✓ means 100% of the benefit is paid.

¹ Plans F and G also have a high deductible option which require first paying a plan deductible of \$2,800 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

² Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³ Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

PREMIUM INFORMATION

We, Philadelphia American Life Insurance Company, can only raise the premium for all policies like yours in this State. There are two distinct occurrences (attained age and table of rates changes) which might affect a change in premiums. Premiums will change upon each change in attained age. Additionally, we reserve the right to revise the table of premium rates.

Spousal Discount: You are eligible for a spousal premium discount if you are married and both you and your spouse apply for and receive a policy issued by Philadelphia American Life Insurance Company. The policy discount will be priced 6% lower than the current rates. We may request additional documentation to determine eligibility. As long as both policies stay in force, the policy discount will continue. If one policy terminates for any reason, the policy discount for the remaining in force policy will be discontinued within 30 days. Loss of the discount will increase premium on the remaining policy.

READ YOUR POLICY VERY CAREFULLY

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

RIGHT TO RETURN POLICY

If you find that you are not satisfied with your policy, you may return it to P.O. Box 4884, Houston Texas 77210-4884. If you send the policy back to us within 30 days after you receive it, we'll treat the policy as if it had never been issued and return all of your payments.

POLICY REPLACEMENT

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

NOTICE

This policy may not fully cover all of your medical costs.

Neither Philadelphia American Life Insurance Company nor its agents are connected to Medicare.

This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult *Medicare and You* for more details.

COMPLETE ANSWERS ARE VERY IMPORTANT

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

PRE-EXISTING CONDITION LIMITATION

Pre-existing conditions are not covered during the first six months after the effective date of coverage unless the applicant is an eligible person for guaranteed issue. Pre-existing conditions are those conditions for which medical advice or treatment was recommended by a physician within a six month period preceding the effective date of coverage.
