GUARANTEE TRUST LIFE ADVANTAGE PLUS ELITE UNDERWRITING GUIDE

Issue Ages: 40-85

Benefit Amounts: 1 Day - \$1,000 - \$2,500

3-15 Day - \$100 - \$990 Per Day

UNDERWRITING

1. Benefit Maximums

The maximum daily benefit amount is \$990/day for benefit periods between 3 to 15-days. Applicants can have more than 1 policy in force as long as they do not exceed the total maximum benefit of **\$1,000/Day Hospital Confinement**.

However, the applicant can apply for up to an additional \$300/day benefit under the hospitalization rider (Short Term Home Health Care) even after meeting the \$1,000 maximum. For a 1-day benefit period, the maximum amount is \$2,500.

Benefit Increases/New Policy

If increasing the Daily Hospital benefit amount or changing the benefit period or adding a rider, a new application needs to be completed (e-App, Agent Portal or paper) and will be subject to evidence of insurability.

If a second application is submitted, the underwriting team will email the agent to verify the intentions of the new application. Based on the response we get from the agent, we will determine how we are going to process the new application.

A cancel/rewrite will apply on the following situation:

If changing the benefit period (increasing or decreasing).

This will get treated as a cancel/rewrite. We will terminate the old policy as of the paid to date and issue the new plan as of the paid to date of the old coverage. We will cancel/rewrite with the following provisions: Commissions will be paid on a renewal basis. The pre-existing waiting period and contestability period starts over. A new policy will get generated.

Replacements

We will allow replacement of an older Advantage Plus Plan, subject to underwriting approval. If approved, Commissions on the new policy will be paid on a renewal basis.

2. If the application is over 31 days old when received by the Company, we will require a new currently dated application.
3. The effective date cannot be more than 90 days from the application date or prior to the application date.
4. If both spouses apply for coverage, a separate annual policy fee is required for both.
5. The final decision will be based on the answers to the medical questions. If all the medical questions are answered "NO" the applicant will be eligible, subject to claim review if there is or was another health policy with GTL. The medical questions do not need to be answered if the applicant is between the ages of 64 ½ up to but not including age 70 as of the application date. (The following states do not have Guaranteed Issue: NJ, UT.) However if the cancer rider is applied for, the applicant must answer the medical questions for this rider regardless of age.
6. **Pre-Existing Condition:** A Pre-existing Condition is a sickness or injury, disclosed or not disclosed on the application, for which medical care, treatment, diagnosis or advice was received or recommended within the six (6) month period immediately prior to your client's effective date of coverage under their policy; or the existence of symptoms which would cause an ordinarily prudent person to seek diagnosis, care or treatment within the six (6) months prior to their effective date of coverage under their policy. Treatment includes the taking of prescription drugs or medicines. Pre-existing conditions are not covered unless the loss begins more than **six (6) months after their effective date of coverage**. The Pre-existing

Condition period may differ in some states, **and still applies during the Guaranteed Issue period** (in NC, no pre-existing condition limitation).

7. The agent must be health licensed and use the state approved application in the state where the applicant has permanent residency.
8. Applicant must be a U.S. citizen or hold a "green card" (permanent resident of US).
9. The applicant must have a valid social security number. We cannot issue a policy to an applicant who does not have a social security number.
10. A Power of Attorney (POA)/Guardianship is not acceptable for this product.
- 11. The Minimum Annual Premium with any rider and policy fee is \$240.**

HELPFUL TIPS

Voice Verification Calls

- Make copies of this Voice Verification Guide for your clients and fill in each answer prior to them making the phone call so the answers are right there for them
- Circle the product(s) they are applying for, make sure they only list one product at a time when prompted, they will have an opportunity to list any others later in the call
- Have them respond only once to a given question and have them wait patiently for the next question
- Ask them not to speak over the recorded prompts
 - If they remain quiet the next question will follow
 - If they don't understand a question, they can press the # sign and the question will be repeated
- Keep background noise to a minimum during the recording (no paper shuffling, whispered prompts, etc.) and have them speak clearly, not too quickly or too slowly
