Be certain with Medicare Supplement insurance

Health care costs can put a strain on your budget, even if you have Medicare Parts A and B. But enrolling in a Medicare Supplement insurance plan can help you pay for out-of-pocket expenses not covered by Medicare, such as coinsurance, copayments, and deductibles. You'll be ready for anything. Plus, Medicare beneficiaries can enroll in a Medicare Supplement product at any time of the year.¹

1. If you are outside your open enrollment or guaranteed issue period, you are required to complete an enrollment application and will be subject to underwriting.

A BETTER VALUE

When you purchase one of our Medicare Supplement insurance plans, you're getting an affordable premium with:

- **PREFERRED RATES** for eligible non-tobacco users²
- **SAVINGS** when you opt for automatic bank withdrawals from your checking or savings account
- **A PREMIUM RATE DISCOUNT** if you live with another person who is age 50 or older, even if they don't have coverage with us

PLANS CREATED TO MEET YOUR NEEDS

In addition to lowering out-of-pocket costs, our Medicare Supplement insurance plan offers benefits that can be flexible and work for your specific situation.

- **PLAN CHOICES**
Choose from affordable solutions that best fit your needs and budget.
- **GUARANTEED RENEWABLE FOR LIFE**
Your coverage will never be canceled, even if your health changes.³
- **NO PRE-EXISTING CONDITION WAITING PERIOD**
Prior medical conditions are covered as soon as your policy is effective.
- **FREEDOM TO CHOOSE**
You can select any doctor or hospital that accepts Medicare, so you don't need to worry about finding network providers or getting referrals to see specialists.
- **30-DAY RIGHT TO RETURN**
If you cancel your policy within 30 days, we will refund any premium paid minus any claims paid.

2. Tobacco use will not be a deciding factor for preferred rates if you are in your open enrollment or guaranteed issue period.

3. This is guaranteed as long as your premium is paid on time. Your premium rate is subject to change if a rate adjustment

to all policyholders in the same plan, rate class, and state as yours is issued. Your premium will also increase with your age at the time of your renewal date.
