With our Medicare supplement insurance, peace of mind is part of the plan

Only the luckiest of us get to age without ever worrying about our health, medical costs, and the stress of managing it all. No one knows what the future holds. Preparing for life on a fixed income can be challenging, much less trying to predict and budget for your future health care needs.

It's important to know that Original Medicare doesn't pay for everything. With Original Medicare, there is no out-of-pocket maximum for deductibles, copays, and coinsurance. If you need health care, those costs can add up quickly. Medicare supplement insurance helps cover the costs Original Medicare leaves behind.

Our Medicare supplement insurance plans:

- **Work with Medicare**—If Medicare pays for a service, we cover it.
- **Are guaranteed renewable**—Keep your policy for life, as long as premiums are paid.
- **Have no networks**—You're free to see any provider, anywhere in the U.S., that accepts Medicare.
- **Offer live, U.S.-based customer support**—You'll speak with a friendly, knowledgeable, licensed representative who is trained to help get you the answers you need.

When you purchase one of our Medicare supplement insurance plans, it doesn't mean you'll never face challenges or hard times. Instead, it means you'll have more peace of mind when those times come. We've been serving seniors for more than 60 years, and we'll be there for you, too.

Opportunities for connection

It's important to maintain social connections, especially as we age. We offer our Medicare supplement insurance customers options for connecting with us and each other. Our groups and programs educate, inform, and foster a sense of connection and well-being.

WPS Medicare Solutions Group on Facebook

Our private Facebook group offers ways for seniors to connect with each other, learn more about Medicare options, and find tips for healthy living.

Members can also explore helpful tools like enrollment checklists and “how-to” videos. We curate all the content ourselves and don’t allow any sales pitches or spam posts.

This group is open to anyone approaching or at Medicare age. **You don’t need to be a current customer to join.** To find the group, search “WPS Medicare Solutions” on Facebook and click the “Join group” button.

Pen Pal Program

Writing letters can be a fun way to maintain relationships and create new social connections. Sharing stories and receiving mail from someone who cares about you can add joy to your life. Besides, who doesn’t enjoy receiving a letter or card in the mail?

The Pen Pal Program is another special perk available to our Medicare supplement insurance customers. We connect customers who express interest in the program to one of our employees they can correspond with. We send new pen pals a welcome kit to help them get started. Then, participants get to know their pen pal at their own pace.

Medicare supplement insurance plan overview

Medicare supplement insurance plans are designed to work with Original Medicare to pay some of the out-of-pocket costs that Original Medicare (Part A and Part B) doesn't pay, such as coinsurance, copayments, and deductibles. This overview will get you started. Take a moment to learn about the coverage available through our plans. The plan you choose may include the options below. See the chart on the previous page.

Part A hospice care coinsurance or copayment: Plan pays Part A coinsurance for hospice.

Blood: Plan pays first three pints each year.

Part B coinsurance: Plan pays medical expenses—Part B coinsurance (generally 20% of Medicare-approved expenses) for hospital outpatient services. When selecting Plan N, individual copayments may apply up to a \$20 office visit copayment or \$50 ER visit copayment.

Part A deductible: Plan pays Medicare Part A hospital deductible.

Skilled nursing facility coinsurance: Plan pays Medicare copayments for 21st through 100th day of stay in a Medicare-approved facility.

Foreign travel emergency: After a \$250 calendar year deductible, plan covers 80% of expenses for emergency medical care received outside the United States, beginning during the first 60 consecutive days of a trip, up to a lifetime maximum of \$50,000.

Part B excess charges: Plan pays the difference between the Medicare-eligible charge and the amount charged by the provider (no greater than the limiting charge allowed by Medicare), whichever is less.
