

SUPPLEMENTAL INSURANCE COVERAGE REQUIRED OUTLINE OF CONTRACT

**Cancer Shield 2.0**

OUTLINE OF COVERAGE  
Policy Form Series U1930-PA

**KEEP THIS OUTLINE FOR YOUR RECORDS**

**THIS IS NOT A MEDICARE SUPPLEMENT POLICY.** If you are eligible for Medicare, review *The Guide to Health Insurance for People with Medicare* available from the company.

**THIS IS A LIMITED BENEFIT POLICY. PLEASE READ YOUR POLICY CAREFULLY.** This Outline of Coverage provides a very brief description of the important features of your policy. This is not the insurance contract and only the actual policy provisions will control. Your policy sets forth in detail the rights and obligations of both you and your insurance company. It is, therefore, important that you **READ YOUR POLICY CAREFULLY!**

**THIS IS A SUPPLEMENT TO HEALTH INSURANCE AND IS NOT A SUBSTITUTE FOR MAJOR MEDICAL COVERAGE. LACK OF MAJOR MEDICAL COVERAGE (OR OTHER MINIMUM ESSENTIAL COVERAGE) MAY RESULT IN AN ADDITIONAL PAYMENT WITH YOUR TAXES.**

**SUPPLEMENTAL INSURANCE COVERAGE** – Policies of this category are designed to provide persons insured, restricted coverage paying benefits **ONLY** when certain losses occur. Coverage is not provided for basic hospital, basic medical-surgical, or major medical or comprehensive expenses.

**ELIGIBILITY FOR CANCER BENEFITS** – You will be eligible for Cancer benefits under the policy if all of the following conditions are met:

1. A Positive Diagnosis of Cancer is made and treatment is received after the Waiting Period;
2. A Positive Diagnosis of Cancer is made and treatment is received while insured under the policy;
3. The Loss due to a Positive Diagnosis of Cancer is incurred while insured under the policy; and
4. The Loss is the result of Cancer as defined and covered under the policy and is not excluded from coverage under the Exclusions and Pre-Existing Conditions Limitation provision.

**Cancer** means a disease manifested by the presence of a malignancy characterized by the uncontrolled growth and abnormal spread of malignant cells and the invasion of body tissue by such malignant cells. Cancer includes Hodgkin's disease and leukemia. This definition excludes such conditions as:

1. Skin Cancer, except malignant melanoma; and
2. Pre-malignant tumors or polyps.

Cancer in situ is eligible for benefits under the policy.

Benefits differ by plan selection. All benefits are fixed indemnity amount, as shown in the table below, unless otherwise noted.

## EXCLUSIONS AND LIMITATIONS

Except as specified elsewhere in the policy or any attached riders, we will not pay benefits for:

- For a Positive Diagnosis of any Cancer before the policy effective date;
- Any Cancer when advice or treatment is received during the Waiting Period or prior to the policy effective date, and such advice or treatment results in a Positive Diagnosis of Cancer. If tissue is extracted during the Waiting Period or prior to the policy effective date, and results in a Positive Diagnosis of Cancer, this will not be a covered condition. The date of a Positive Diagnosis of Cancer is the earlier of the date of clinical diagnosis or the date the specimen used to diagnose Cancer is taken. If a Positive Diagnosis of Cancer is made and / or Cancer is treated within the Waiting Period, OR if medical advice is given within the Waiting Period which leads to the subsequent Positive Diagnosis of Cancer after the Waiting Period, the Insured has the option to cancel the policy and receive a refund of all premiums paid on the policy and attached benefit riders.
- For treatment, services or supplies which:
  - are not Medically Necessary;
  - are not prescribed by a Doctor as Medically Necessary to treat Cancer;
  - are received without charge or legal obligation to pay (except for inpatient confinements in a U.S. Government Hospital);
  - would not routinely be paid in the absence of insurance; or
  - are received from an Immediate Family Member (except for those benefits allowed under the Non-Local Patient Transportation benefit provision.)
- For any loss due to injury, disease, sickness or incapacity, unless such Definitive Treatment is directly related to or attributable to Cancer as defined.
- For any Loss Diagnosed or treatment received outside the territorial limits of the United States or its possessions.
- Whenever fraud is committed in making a claim under this Policy.

**Pre-Existing Condition Limitation and Waiting Period**

Benefits under the policy and attached benefit riders are subject to a Pre-Existing Condition Limitation and a Waiting Period.

**Pre-Existing Condition Limitation:** A pre-existing condition is a condition for which medical advice or treatment was recommended by, or received from a Doctor, within the 24 month period before the Policy Effective Date. Treatment includes being prescribed or taking prescription drugs or medicines.

A pre-existing condition is not covered unless the loss begins more than 24 months after the Policy Effective Date.

**Waiting Period:** The number of days after the Policy Effective Date before we will pay benefits for Loss due to Cancer or Heart Attack or Stroke. The Waiting Period for benefits is 30 days. If Cancer or Heart Attack or Stroke is Diagnosed during the Waiting Period, you have the option to cancel the policy and receive a refund of all premiums paid.

**RENEWABILITY** – The policy is guaranteed renewable for life. This means you may keep the policy in force during your lifetime by paying premiums when due or within the 31 days that follow.

**PREMIUMS ARE SUBJECT TO CHANGE** – We may change the premium rates for this policy, but only if we change it on a class basis for all policies of this class in the state it was issued.
