\* Negotiated fees refer to the fees that in-network dentists have agreed to accept as payment in full for certain services, subject to any copayments, deductibles, cost sharing and benefits maximums. Negotiated fees are subject to change. Negotiated fees do not apply to non-covered services in states that prohibit limitations for services not covered under a plan. Participating providers in these states may charge their non-negotiated fees for non-covered services.

\*\* Reimbursement for out-of-network services is based on the lesser of the dentist's actual fee or the Maximum Allowable Charge (MAC). The out-of-network Maximum Allowable Charge is a scheduled amount determined by MetLife.

\*\*\* The Calendar Year Deductible applies to Type A, B & C services.

Products are not available in all states. Please call (800) 485-3855 to verify current state availability. Obtaining a pretreatment estimate of benefits before the services are rendered is highly suggested, as some procedure charges may be subject to alternate benefit provisions. Last updated: 08/22/2024
