1 Rates for Kansas Residents

Your rate is based on your age on your plan effective date and, in some cases, your answers to health questions. **All rates are subject to an annual change for all AARP Medicare Supplement Insurance Plan holders, based on changes in health care costs and the claims experience of the plan.** Additionally, the following applies:

For Ages 50 to 64:

- If you enroll during your Open Enrollment or Guaranteed Acceptance period, you are eligible for the **Standard Rate** for ages 50-64. This rate will not increase between ages 50-64 just because you get older.
- If you did not enroll during your Open Enrollment or Guaranteed Acceptance period, you will receive the **Level 2 Rate** until you reach age 65.
- When you continue your enrollment beyond age 65, **Standard Rates** will then apply. This rate will change each year until you reach age 75. Once you reach age 75, your rate will become level, and never change just because you get older.

For Ages 65 and over:

- If you enroll during your Open Enrollment or Guaranteed Acceptance period, or if you do not have one or more of the medical conditions on the application, you are eligible for the **Standard Rate**. This rate will change each year until you reach age 75. Once you reach age 75, your rate will become level, and never change just because you get older.
- If you have one or more of the medical conditions on the application, and you did not enroll during your Open Enrollment or Guaranteed Acceptance period, you will receive the **Level 2 Rate**. This rate will never increase just because you get older. The Level 2 Rates do not apply to individuals who meet Medigap Open Enrollment or Guaranteed Issue.

2 Refer to the application.

3 IMPORTANT: Plans C and F are only available to eligible Applicants (a) with a 65th birthday prior to 1/1/2020 or (b) with a Medicare Part A effective date prior to 1/1/2020.

Notes

1 A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.

2 NOTICE: When your Medicare Part A hospital benefits are exhausted, the insurer stands in place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time, the hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.

This is only an outline describing your certificate's most important features. The certificate is your insurance contract. You must read the certificate itself to understand all of the rights and duties of both you and your insurance company.

However, UnitedHealthcare has the right to recover any claims paid during that period. Any premium refund otherwise due to you will be reduced by the amount of any claims paid during this period. If you have received claims payment in excess of the amount of your premium, no refund of premium will be made.

Policy replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new certificate and are sure you want to keep it.

Notice

The certificate may not fully cover all of your medical costs. Neither UnitedHealthcare Insurance Company nor its agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult the Centers for Medicare & Medicaid Services (CMS) publication *Medicare & You* for more details.

Complete answers are very important

When you fill out the enrollment application for the new certificate, be sure to answer all questions about your medical and health history truthfully and completely. The company may cancel your certificate and refuse to pay any claims if you leave out or falsify important medical information. Review the enrollment application carefully before you sign it. Be certain that all information has been properly recorded.

Participating Hospitals listed in this directory are subject to change. For health systems with multiple hospitals, all locations may not participate. Check with your doctor to make sure he or she has admitting privileges at a network hospital. Prior to scheduling any inpatient hospital service, it is recommended you call UnitedHealthcare Customer Service at 1-800-523-5800, TTY 711, weekdays from 7 a.m. to 11 p.m. and Saturdays from 9 a.m. to 5 p.m. Eastern Time for a current listing of participating hospitals in your area. You may also call this number to obtain a directory of participating hospitals for other areas when you will be traveling.

All participating hospitals are open 24 hours a day, 7 days a week.

Network changes will be communicated annually to insureds impacted by hospitals who no longer participate. Coverage will remain until insured is notified in writing.

Your Medicare Select policy will only pay full supplemental benefits if covered services are obtained through specified participating hospitals. Medicare Select policies deny payment or pay less than the full benefit if you use a non-participating hospital for non-emergency services.

9 Your past and current coverage

Review the statements.

- You do not need more than one Medicare supplement policy.
- You may want to evaluate your existing health coverage and decide if you need multiple coverages.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

**NOTICE TO APPLICANT REGARDING REPLACEMENT OF
MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE
UNITEDHEALTHCARE INSURANCE COMPANY**

Horsham, Pennsylvania

Save this notice! It may be important to you in the future

According to the information you furnished, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by UnitedHealthcare Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

Statement To Applicant By Issuer, Agent, Broker Or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement policy or leave your Medicare Advantage plan. The replacement policy is being purchased for one of the following reasons (check one):

- ☐ Additional benefits.
- ☐ No change in benefits, but lower premiums.
- ☐ Fewer benefits and lower premiums
- ☐ My plan has outpatient prescription drug coverage and I am enrolling in Part D.

- ☐ Disenrollment from a Medicare Advantage plan. Please explain reason for Disenrollment.
- ☐ Other (Please Specify) _____

1. Health conditions which you may presently have (Pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. State law provides that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to

- the extent such time was spent (depleted) under the original policy.
3. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.
