¹Plans F and G also have a high deductible option which require first paying a plan deductible of \$[2,800] before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

²Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.
