Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible Plans F and G do not cover the separate Foreign travel emergency deductible. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

² Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³ Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

Notice to buyer: This policy may not cover all of the costs associated with medical care incurred by the buyer during the period of coverage. The buyer is advised to review carefully all policy limitations.
