

**OUTLINE OF COVERAGE FOR LUMP SUM CANCER INSURANCE POLICY
or LUMP SUM CANCER AND HEART-STROKE INSURANCE POLICY**

Policy Form B 21904 NJ

READ YOUR POLICY CAREFULLY

This Outline of Coverage provides a very brief description of the important features of your policy. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in details the rights and obligations of both you and your insurance company. It is, therefore, important that you **READ YOUR POLICY CAREFULLY!**

SPECIFIED DISEASE COVERAGE

Policies of this category are designed to provide, to persons insured, limited coverage paying benefits **ONLY** when certain losses occur as a result of specified diseases, subject to any limitations set forth in the policy. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses.

THIS IS NOT MEDICARE SUPPLEMENT COVERAGE

If you are eligible for Medicare, review the *Buyer's Guide to Health Insurance for People with Medicare* available from the insurance company. Bankers Fidelity Life Insurance Company® does not represent Medicare, the federal government or any state government.

THE POLICY PROVIDES SUPPLEMENTAL LIMITED COVERAGE FOR CANCER AND HEART-STROKE ONLY AND IS NOT A SUBSTITUTE FOR COMPREHENSIVE HEALTH OR MAJOR MEDICAL INSURANCE, NOR IS IT INTENDED TO COVER ALL MEDICAL EXPENSES.

BENEFITS

The following is a brief description of the benefits, additional options and optional riders that are available with the Policy. All benefits are subject to the conditions, definitions, exclusions, limitations and provisions of the actual Policy and applicable Rider.

LUMP SUM CANCER BENEFIT

A Lump Sum Cancer Benefit will be payable upon receipt of due proof of the Insured's Diagnosis with Invasive Cancer or Carcinoma In Situ. Benefits for Carcinoma In Situ may be elected at levels of 100% or/are payable at an amount equal to 25% of the benefit amount payable for Invasive Cancer.

OPTIONAL LUMP SUM HEART-STROKE BENEFIT – Requested ☐ Yes ☐ No

In addition to the Cancer benefits described above, an additional Lump Sum Heart-Stroke Benefit will be payable in accordance with the Policy provisions upon receipt of due proof of the Insured's Diagnosis with a Covered Heart-Stroke Condition.:

OPTIONAL ADDITIONAL BENEFIT RIDERS – May select as many as desired

Additional Occurrence Benefit Rider (Form B 21904 CAO R9 NJ or B 21904 HSAO R10 NJ) – **Requested:** ☐ **Yes** ☐ **No**

If requested and included in the Policy, benefits will be payable for additional occurrences of a Covered Cancer or Heart-Stroke* Condition in accordance with the schedule below, if: 1) at least six (6) consecutive months or more have elapsed since the Covered Persons' Diagnosis with a Cancer or Heart-Stroke Condition; and 2) the Covered Person has been free of Treatment for a period of at least six (6) consecutive months:

Time Period That Has Elapsed Since the Date of the Last Diagnosis of a Covered Cancer Condition or Covered Heart-Stroke* Condition	Restoration Percentage
Less than 6 months	0%
At least 6 months or more	100%

*Benefits for Heart-Stroke conditions are only included if the optional Heart-Stroke Benefit was elected and included in the Policy. Benefits for Heart-Stroke are only available for Heart Attack, Heart Disease Requiring Transplant Surgery, and Stroke; benefits are not payable under the Rider for any other condition.

In addition to the Exclusions included in the Policy, no Benefits are provided for the following, nor will We pay any benefits for any Loss arising from or otherwise related to, directly or indirectly, any condition or disease which was not a Loss for which a valid benefit was previously paid under the Policy to which this Rider is attached.

Skin Cancer Benefit Rider (Form B 21904 SCB R8 NJ) – **Applied for:** ☐ **Yes** ☐ **No**

Upon receipt of due proof satisfactory to Us of the Covered Person's Diagnosis with Skin Cancer, We will pay the Skin Cancer Benefit, subject to the conditions, definitions, exclusions and limitations of the Rider and the Policy. Benefits are payable one (1) time per Diagnosis, even if Skin Cancer is Diagnosed in multiple locations on the same occasion. Benefits are payable for subsequent upon receipt of due proof satisfactory to Us that: 1) at least twenty-four (24) consecutive months have elapsed since a Diagnosis of Skin Cancer; and 2) the Covered Person has not received Treatment for any Skin Cancer for a period of at least twenty-four (24) consecutive months. There is no lifetime maximum to this benefit.

PRE-EXISTING CONDITIONS LIMITATION

For benefits payable under the Policy, benefits are not payable during the first 6 months the Policy is In Force for Losses incurred due to a Pre-Existing Condition. For benefits payable under any optional benefit rider attached to the Policy, benefits are not payable during the first 6 months the rider is In Force for Losses incurred due to a Pre-Existing Condition.

EXCLUSIONS AND LIMITATIONS

The Policy does not provide any benefits for any Loss arising from or otherwise related to, directly or indirectly, any: 1) illness, disease, condition not specifically and exclusively a Diagnosis of a Covered Cancer or Heart-Stroke Condition and as defined within the Policy; 2) Loss that begins prior to the Effective Date of the Policy; 3) Diagnosis not received or confirmed within the United States or its' territories; 4) services or treatment occurring outside the territorial limits of the United States or its possessions, except for emergency admission or acute onset of sickness or injury sustained while traveling for business or pleasure; 5) attempted suicide; 6) voluntary administration of any narcotic, poison, gas or fumes, unless prescribed by or taken under the direction of a Physician and taken in accordance with the prescribed dosage.

In addition to any exclusions noted in the description of the Riders, the Riders also do not provide benefits for any Loss arising from or otherwise related to, directly or indirectly, any Diagnosis that is made or Loss that begins: 1) prior to the Effective Date of the Rider; or 2) while the Rider is not In Force for the Covered Person.

RENEWAL CONDITIONS

The Policy is guaranteed renewable for life, as long as renewal premiums are paid on time, either in advance or during the Grace Period. However, the Policy will Terminate on the earliest of the following events: 1) at the end of the Grace Period in which a renewal premium remains unpaid; 2) on the date that all Covered Persons have exhausted all benefits under this Policy and any attached riders; or 3) on the date of death of the Insured. Coverage under the Policy will end for a Covered Person on the date that: 1) the Covered Person has exhausted all their benefits under the Policy and any attached riders, 2) the date the Policy Terminates, 3) the date of death of that Covered Person.

PREMIUMS SUBJECT TO CHANGE

The premium rates may be changed. A change will apply to all policies with the same form number, issue age group, tobacco status and state of issue as the Policy issued to the Insured. A minimum of 30 days advance written notice will be given. A change will apply on the next premium due date after notification is given. Each premium will be computed by the issue age and tobacco status shown in the application. We will not change the rates because of the Insured's physical condition or on account of any claims paid.

IMPORTANT TERMS

When we use the following terms from the Policy, this is what we mean:

CARCINOMA IN SITU – for the purposes of the Policy, means a pre-malignant neoplasm limited to the epithelium which has not invaded the basement membrane. It is a group of abnormal cells that show cytological characteristics of cancer and has the potential to become cancer, but has so far stayed in place where it began and has not spread to surrounding tissues. "Carcinoma In Situ" may be referred to as "Stage 0" cancer and includes: 1) early prostate Cancer Diagnosed as T1N0M0 or equivalent staging; and 2) melanoma not invading the dermis. Carcinoma In Situ does not include: 1) other skin malignancies; 2) pre-malignant lesions (such as intraepithelial neoplasia); or 3) benign tumors or polyps.

DIAGNOSIS; DIAGNOSED; DATE OF DIAGNOSIS – the definitive establishment of a specified condition through the use of clinical and/or laboratory findings. The Diagnosis must be made: 1) after the Effective Date of the Policy 2) during the lifetime of the Covered Person; 3) by a Physician who is a board-certified specialist where required under the Policy; and 4) or confirmed within the United States or its' territories.

The Date Of Diagnosis is the earliest of: 1) the date the specimen used to Diagnose a condition was taken; 2) the date any test was run that was used to establish the Diagnosis of a condition; or 3) the date a condition was positively Diagnosed. Diagnosis of any condition will be considered to have been made prior to the Effective Date of the Policy if medical advice or Treatment received prior to the Effective Date results in a Diagnosis of that condition.

In addition, Diagnosis of Invasive Cancer or Carcinoma In Situ must be: 1) made by a Physician who is board certified by the American Board of Pathology to practice Pathologic Anatomy, or by Physician who is a board-certified Osteopathic Pathologist; and 2) established by Pathological Diagnosis. The Physician establishing the Diagnosis shall base his or her judgment solely on the criteria of malignancy as accepted by the American Board of Pathology or Osteopathic Board of Pathology after a study of the histocytologic architecture or pattern of the suspect tumor, tissue or specimen. A Clinical Diagnosis will be accepted only if: 1) a Pathological Diagnosis cannot be made because it is medically inappropriate or life-threatening; 2) there is medical evidence to support the Diagnosis; and 3) a Physician is treating the Insured for Invasive Cancer or Carcinoma In Situ.

DIAGNOSIS; DIAGNOSED; DATE OF DIAGNOSIS, continued – Diagnosis of Invasive Cancer or Carcinoma In Situ includes a Diagnosis of a recurrence of an Invasive Cancer or Carcinoma In Situ that was previously Diagnosed before the Effective Date of the Policy if, after the previous Diagnosis and before the date of Diagnosis of the recurrence, the Covered Person is free of any symptoms and treatment of the Invasive Cancer or Carcinoma In Situ for the six (6) months immediately preceding the Effective Date of coverage.

HEART ATTACK – an acute myocardial infarction resulting in the death of a portion of the heart muscle (myocardium) due to a blockage of one or more coronary arteries and resulting in the loss of the normal function of the heart. The Diagnosis must be made by a Physician board-certified as a Cardiologist and based on both: a) new clinical presentation and electrocardiographic changes consistent with an evolving Heart Attack; and b) serial measurement of cardiac biomarkers showing a pattern and to a level consistent with a diagnosis of Heart Attack. A “Heart Attack” does not include: 1) established (old) myocardial infarction prior to the Effective Date, or 2) a heart attack that occurs during a medical procedure.

INVASIVE CANCER – 1) a disease manifested by the presence of a malignant neoplasm characterized by the uncontrolled growth and spread of malignant cells, the invasion of tissue; 2) Carcinoma, Hodgkin's Disease, Leukemia, Lymphoma, Multiple Myeloma, and Sarcoma. “Invasive Cancer” does not include: 1) pre-malignant tumors or polyps; 2) pre-malignant lesions, Carcinoma In Situ, or 3) any skin cancer (except invasive malignant melanoma in the dermis or deeper skin malignancies that have become metastatic).

Invasive Cancer must be Diagnosed pursuant to Pathological Diagnosis. A Clinical Diagnosis will be accepted only if: 1) a Pathological Diagnosis cannot be made because it is medically inappropriate or life-threatening; 2) there is medical evidence to support the Diagnosis; and 3) a Physician is treating the Covered Person for Invasive Cancer.

SUDDEN CARDIAC ARREST – the sudden and unexpected loss of normal heart function due to a malfunction in the electrical system of the heart, resulting in serious irregularity (cardiac arrhythmia) and/or cessation (asystole) of a normal heart rhythm. “Sudden Cardiac Arrest” includes: 1) cardiovascular collapse; 2) cardiac arrest; or 3) sudden cardiac death. “Sudden Cardiac Arrest” does not include Heart Attack (myocardial infarction). The Diagnosis must be made by a Physician board-certified as a Cardiologist. A benefit for Sudden Cardiac Arrest is only payable if it is a primary Diagnosis, or in the event of death, the primary cause of death.
