GTL Short Term Home Health Care Underwriting Guide

1. The applicant must be a U.S. citizen or hold a "green card" (permanent resident of US). We will not consider any applicant that has a temporary visa, work or otherwise. The applicant also must have a valid social security number. We will not consider any applicant without one.
2. The agent must be health licensed and use the state approved application in the state where the applicant has permanent residency.
3. If the application is over 31 days old when received by the Company, a new currently dated Application will be required.
4. The effective date cannot be more than 93 days from the application date or prior to the application date.
5. The draft date cannot be more than 15 days before or after the effective date.
6. Insurability will be determined by the answers to the medical questions. If any answer is yes, the applicant does not qualify. Also, if the applicant has any prior GTL coverage, claim history will be reviewed in determining insurability. Finally, if the applicant has the maximum benefit amount for this plan, the applicant does not qualify for coverage.
7. The applicant can only have one Short Term Home Health Care in force at any one time. If additional coverage is desired, a new application must be completed and the applicant must meet underwriting standards. If approved, we will apply those changes to the original policy. (Note: We do not permit replacement of a policy written by another agent.) The current age of the applicant will be used to determine premium rates.
8. The Maximum coverage for this plan is Option C (\$450). If the applicant wants additional home health coverage, please see the Maximum Home Health Care Benefit Chart.
9. While the height and weight are asked for on the application, at this time they will not be used in underwriting the application
10. A policy can be considered for reinstatement if not lapsed more than 6 months. If more than 6 months, a new application should be submitted.
11. The base Short-Term Home Health Care rates are based on Attained Age and will increase as the policyholder gets older (see rate sheet). Attained age increases (if applicable) will occur at age 86 and older.
12. Return of Premium Rider only available on new policies. It cannot be added to existing policies.
13. A Power of Attorney (POA) is not acceptable for this product.
