## Feel confident in your decision

A Medicare Supplement insurance plan, also called a Medigap plan, is a separate policy that works with Medicare Part A (hospital services) and Part B (doctor's services and supplies) and helps you manage your medical costs. Cigna Medicare Supplement insurance helps protect you against high out-of-pocket costs by helping pay for eligible health care expenses not covered by Medicare.

### Freedom to choose your doctors

You can use any doctor who accepts Medicare. There are no provider networks or referrals required.<sup>1</sup> So, you can go to the doctors you know and trust.

### Value for your money

Our goal is to provide cost-effective coverage without sacrificing the quality service and support you deserve. A household premium discount may be available for qualified applicants.

1. In some cases, a referral is required.

## Service you can count on

Our knowledgeable, caring representatives are ready to assist you by answering your questions and providing guidance. We aim to provide fast, friendly, and efficient customer service at all times. Our claims team is also hard at work for you behind the scenes. Medicare Part A & Part B claims are managed electronically, which eliminates paperwork for both you and your doctor.

## Access to benefit information

You have access to your benefit and claim information online. Set up automatic premium payments, print a temporary ID card, update your contact information, and review claims on your computer, tablet, or phone — anytime, anywhere.

## Guaranteed renewable policy for life<sup>2</sup>

Your policy is guaranteed to be renewed if premiums are paid on time. Your premiums may increase, due to inflation or other factors, but you cannot be singled out for a rate increase based on your age or changes to your health. Your premium will be based on the age you are when your policy is issued.

## Health Information Line

## Exclusions and limitations

The benefits of this policy will not duplicate any benefits paid by Medicare. The combined benefits of this policy and the benefits paid by Medicare will not exceed 100% of the Medicare eligible expenses incurred. These policies will not pay benefits for:

- › The Medicare Part B Deductible (not applicable in plans C, F and High Deductible F);
- › Any expense which you are not legally obligated to pay; or services for which no charge is normally made in the absence of insurance;
- › Any services that are not medically necessary as determined by Medicare;
- › Any portion of any expense for which payment is made by Medicare or other government programs (except Medicaid); or for which payment would have been made by Medicare if you were enrolled in Parts A & B of Medicare;
- › Any type of expense not a Medicare eligible expense except as provided for in the policy; and
- › Any deductible, coinsurance or copayment not covered by Medicare, unless such coverage is listed as an additional benefit in the policy.

## Preexisting conditions

These policies will not pay for any expenses incurred for care or treatment of a preexisting condition for the first six months from the effective date of coverage. This exclusion does not apply if you are applying for and are issued the policy under guaranteed issue status; if on the date of application for the policy you had at least six months of prior creditable coverage; or, if the policy is replacing another Medicare Supplement policy and a six month waiting period

has already been satisfied. Evidence of prior coverage or replacement must be on the application for the policy. If you had less than six months prior creditable coverage, the preexisting conditions limitation will be reduced by the aggregate amount of creditable coverage. If the policy is replacing another Medicare Supplement policy, credit will be given for any portion of the waiting period that has been satisfied. A preexisting condition is a condition for which medical advice was given or treatment was recommended by or received from a physician within six months prior to the policy effective date.

## Household discount

Household discount is a discount that is available when more than one member of your household enrolls or is enrolled in a Medicare Supplement policy provided by Cigna Health and Life Insurance Company. Household is defined as a condominium unit, a single family home, or an apartment unit within an apartment complex. Assisted Living Facilities, Group Homes, Adult Day Care facilities and Nursing Homes, or any other residential health facility are not included in the definition of "Household." The household premium discount will be removed if the other Medicare Supplement policyholder whose policy status entitles you to the discount no longer resides with you or no longer has a Medicare Supplement policy through Cigna Health and Life Insurance Company. However, if that person becomes deceased, your discount will still apply. The addition or removal of the discount will occur on the billing cycle following the date we learn your eligibility has changed.
