YOUR HEALTH INSURANCE COVERAGE **MAY LEAVE YOU WITH OUT-OF-POCKET EXPENSES**

Here's a simple solution to help cover these costs!

+ ADVANTAGE PLUS® WILL PAY YOU BENEFITS FOR:

HOSPITAL CONFINEMENT

This benefit will pay you between \$100 and \$600 per day should you be confined to a hospital. You can also choose either a 10-day or 21-day benefit period which will restore after 60 days of no hospital confinement. Benefits are paid directly to you so you can use the funds any way you choose. (In Massachusetts, \$500 Maximum Benefit)

+ Observation Stays Covered

People may be surprised to find out that after being confined in the hospital for days, they weren't covered if their stay was categorized as "hospital observation." Guarantee Trust Life's Advantage Plus covers both hospital confinement and hospital observation.

MENTAL HEALTH BENEFITS

Your policy will pay \$175 per day for up to seven days if you are confined to a hospital for a mental or nervous disorder. This benefit is in lieu of hospital confinement benefit for sickness or injury, not in addition.

EMERGENCY ROOM BENEFITS

This benefit will pay you \$150 if you are admitted to a hospital within 24 hours following an emergency room visit due to accident or injury.

CANCER LUMP SUM BENEFIT RIDER*

The Lump Sum Cancer Rider will pay you a cash benefit of \$2,500, \$5,000, \$7,500 or \$10,000 should you be diagnosed with cancer. This benefit is limited to a one-time lump sum payment.

SKILLED NURSING FACILITY BENEFIT RIDER

This rider will pay \$120 per day from days 21-100 if you are confined to a skilled nursing facility. This benefit applies if you are admitted to a skilled nursing facility after having been confined to a hospital for three consecutive days. We will pay benefits as long as confinement occurs within 30 days of hospitalization. This benefit restores after 60 days of no confinement in a hospital or skilled nursing facility.

***EXCLUSIONS:** You will be eligible for benefits under this rider if all of the following conditions are met: cancer is first diagnosed and treated while insured under this rider; loss due to first diagnosed cancer is incurred while insured under this rider and not excluded from coverage under the policy's pre-existing condition provision; and loss is the result of cancer covered under this rider. Please consult your policy for definitions. This rider is not available in all states. Please refer to your outline of coverage for exclusions and limitations. (Not available in Massachusetts)

+ ADVANTAGE PLUS® MEANS PROTECTION, CHOICE AND PEACE OF MIND.

Today more than ever, quality health care has become an absolute necessity. Without it, illness could mean financial disaster. But it's a fact that even the best health insurance plans have out-of-pocket expenses such as deductibles, co-payments and coverage limits that can quickly add up.

Should you be confined to a hospital, Advantage Plus can provide you with benefits of up to \$600 per day based on the plan you choose. It can also provide benefits for an ambulance or a skilled nursing facility, all instances where your current health insurance plan may have deductibles or co-payments.

With GTL's Advantage Plus, you'll have peace of mind knowing that your health insurance co-pays, deductibles and coverage limits won't surprise you after an illness or accident.

LUMP SUM HOSPITAL BENEFIT RIDER**

Some primary health plans leave you with a lump sum hospital co-pay. A \$250, \$500 or \$750 lump sum benefit can be used to help cover that cost. The benefit is payable once during any period of hospital confinement and restores after 60 days of no hospital confinement.

***Not available in Massachusetts*

SURGICAL BENEFIT RIDER

This rider will pay \$250, \$500, \$750 or \$1,000 for a surgical procedure performed in an ambulatory surgical center or outpatient hospital facility. This surgical indemnity is payable no more than two times per year.

AMBULANCE SERVICE BENEFIT RIDER

This rider will pay \$200 per ambulance trip to or from a hospital, limited to one benefit per hospital confinement and subject to a lifetime maximum of \$2,500.
