- 2. If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need more than one type of coverage in addition to your Medicare benefits.
- 3. You may be eligible for benefits under Medicaid and may not need a Medicare Supplement Insurance Policy.
- 4. If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement Insurance Policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months.
