#### HIGH DEDUCTIBLE PLAN G

### MEDICARE (PART A) - HOSPITAL SERVICES - PER BENEFIT PERIOD

\*A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.

\*\*This high deductible plan pays the same benefits as Plan G after you have paid a calendar year [\$2,870] deductible. Benefits from the high deductible Plan G will not begin until out-of-pocket expenses are [\$2,870]. Out-of-pocket expenses for this deductible include expenses for the Medicare Part B deductible, and expenses that would ordinarily be paid by the policy.

This does not include the plan's separate foreign travel emergency deductible.

#### PLAN K

\*You will pay half the cost-sharing of some covered services until you reach the annual out-of-pocket limit of \$[7,220] each calendar year. The amounts that count toward your annual limit are noted with diamonds (♦) in the chart below. Once you reach the annual limit, the plan pays 100% of your Medicare co-payment and coinsurance for the rest of the calendar year. However, this limit does NOT include charges from your provider that exceed Medicare-approved amounts (these are called "Excess Charges") and you will be responsible for paying this difference in the amount charged by your provider and the amount paid by Medicare for the item or service.
