## **Eligibility**

You may be eligible for the Enrollment Discount if your age on your plan effective date is:

- 65 to 74 and you do not have any of the medical conditions listed on the application.
- 75 to 80 and your plan effective date is within 10 years of your Medicare Part B effective date <u>and</u> you do not have any of the medical conditions listed on the application.

Note: Medical questions do not apply to you if your plan effective date is within 6 months of your Medicare Part B effective date or you meet a guaranteed issue situation.

#### **How it works**

The Enrollment Discount is applied to the current Standard Rate, which usually changes each year. The discount you receive in your first year of coverage depends on your age on your coverage effective date and decreases 3% each year, after age 68, on the anniversary date of your coverage. Please note that as the discount decreases on your plan's anniversary date, your monthly premium will increase; this may happen at a time other than the Plan's annual rate change. Please keep this in mind when budgeting for your health insurance expenses.

- Plan Effective Date: January 1st
- Jill's age on her Plan Effective Date: 66
- Time since her Medicare Part B enrollment: 1 year
- Example 1: Meet Jill\*
- No medical conditions listed on the application

### Jill is eligible for the Enrollment Discount

- Age discount will begin: 66
- Starting Enrollment Discount: 39%
- Enrollment Discount will change to 36% on her plan anniversary date of January 1 of the year Jill is age 69

- Plan Effective Date: June 1st
- Harry's age on his Plan Effective Date: 79
- Time since his Medicare Part B enrollment: 11 years
- Example 2: Meet Harry\*
- No medical conditions listed on the application
- Enrolled under own AARP Membership Number

### Harry is not eligible for the Enrollment Discount

Although Harry does not have a medical condition listed on the application, it has been more than 10 years since he enrolled in Medicare Part B so he is not eligible for the Enrollment Discount.

The rates above are for plan effective dates from June 2023 - May 2024 and may change.

- 1 Your age as of your plan effective date.
- 2 The **Enrollment Discount** is available to applicants age 65 to 80. You may qualify for an Enrollment Discount based on your age and your Medicare Part B effective date. If you are eligible, the discounted rates will be shown.

## Who is eligible

You are eligible for the enrollment discount if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday or Medicare Part B effective date, if later, and you do not have any medical conditions on the application that would qualify you for the Level 2 rate.

The Level 2 rates do not apply to individuals who meet Medigap Open Enrollment or Guaranteed Issue.

#### How it works

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until the discount runs out.

- 3 Refer to the application.
- 4 **IMPORTANT:** Plans C and F are only available to eligible Applicants (a) with a 65th birthday prior to 1/1/2020 or (b) with a Medicare Part A effective date prior to 1/1/2020.

#### Eligibility to Apply .

To be eligible to apply, you must be an AARP member or spouse of a member, age 50 or older, enrolled in both Part A and Part B of Medicare, and not duplicating any Medicare supplement coverage. (If you are age 50-64 and eligible for Medicare by reason of disability or End-Stage Renal Disease, you are only eligible if you enrolled in Medicare Part B within the last 6 months, unless you are entitled to guaranteed issue of a Medicare supplement plan as shown under the following "Guaranteed Acceptance" section.)

### Guaranteed Acceptance

- Your acceptance in any plan for which you're eligible to enroll is guaranteed during your Medicare Supplement Open Enrollment Period, which lasts for 6 months beginning with the first day of the month in which you are both age 65 or older and enrolled in Medicare Part B.

  - you have a specific type of health insurance coverage that changes in some way, such as a loss of the coverage, or
  - you enrolled with a "trial right" to try a Medicare Advantage Plan but change your mind and want to switch back to a Medicare supplement plan during the trial period.

If you received a notice from your employer or prior insurer saying you are eligible for guaranteed issue of a Medicare supplement plan, you may be guaranteed acceptance into one or more AARP Medicare Supplement Plans. If you have a guaranteed issue right, you must provide a copy of the notice, disenrollment letter or other documentation you received AND your Application Form must be received no more than 63 days after the termination date of your prior coverage. The documentation should include the type of coverage being lost, the termination reason, the termination date and the name of the person(s) who lost or is losing coverage.

If you have questions about guaranteed issue rights, please see *The Guide to Health Insurance for People with Medicare*, which can be found at www.Medicare.gov/publications. You may also want to contact the administrator of your prior health insurance plan or your local state department on aging.

1 A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.

2 NOTICE: When your Medicare Part A hospital benefits are exhausted, the insurer stands in place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time, the hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.

1 A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.

2 NOTICE: When your Medicare Part A hospital benefits are exhausted, the insurer stands in place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time, the hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.

3 You will pay half of the cost-sharing of some covered services until you reach the annual out-ofpocket limit of \$7060 each calendar year. The amounts that count toward your annual limit are noted with diamonds (♦) in the chart above. Once you reach the annual limit, the plan pays 100% of the Medicare co-payment and coinsurance for the rest of the calendar year. However, this limit does NOT include charges from your provider that exceed Medicare-approved amounts (these are called "Excess Charges") and you will be responsible for paying this difference in the amount charged by your provider and the amount paid by Medicare for the item or service.

#### **Notes**

1 A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.

2 NOTICE: When your Medicare Part A hospital benefits are exhausted, the insurer stands in place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time, the hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.

3 You will pay half of the cost-sharing of some covered services until you reach the annual out-ofpocket limit of \$3530 each calendar year. The amounts that count toward your annual limit are noted with diamonds (♦) in the chart above. Once you reach the annual limit, the plan pays 100% of the Medicare co-payment and coinsurance for the rest of the calendar year. However, this limit does NOT include charges from your provider that exceed Medicare-approved amounts (these are called "Excess Charges") and you will be responsible for paying this difference in the amount charged by your provider and the amount paid by Medicare for the item or service.

## Your past and current coverage

#### Review the statements.

- You do not need more than one Medicare supplement policy.
- You may want to evaluate your existing health coverage and decide if you need multiple coverages.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

# NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE UNITEDHEALTHCARE INSURANCE COMPANY

Horsham, Pennsylvania

# Save this notice! It may be important to you in the future

According to the information you furnished, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by UnitedHealthcare Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

# Statement To Applicant By Issuer, Agent, Broker Or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement policy or leave your Medicare Advantage plan. The replacement policy is being purchased for one of the following reasons (check one):

Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force.
