ACCELERATED DEATH BENEFIT RIDER DISCLOSURE

The benefit received under the rider may be taxable. Receipt of the accelerated death benefit may adversely affect your eligibility for Medicaid or other government benefits or entitlements. You should consult your personal tax advisor or the Social Security Administration before requesting the benefit.

This disclosure is a brief description of the Accelerated Death Benefit for Terminal Illness or Nursing Home Confinement Rider and its effects on your policy. This disclosure is not an insurance contract, but only a summary of the coverage provided by the rider. There is no premium or cost of insurance charge for the rider.

BENEFIT DESCRIPTION

While the rider is in force and the insured has a terminal illness or is under nursing home confinement, you may elect to receive the accelerated death benefit before the insured dies. Nursing home confinement means that the insured has been confined to a nursing home for at least 90 consecutive days and is expected to remain confined for the remainder of his or her life. A physician must certify that the insured has a terminal illness or is under nursing home confinement.

The amount available for the accelerated death benefit is your policy's death benefit. You may receive the accelerated death benefit only once.

For nursing home confinement, we will reduce the accelerated death benefit by the nursing home confinement factor. The nursing home confinement factor varies by policy year as shown in the rider. We will also reduce the accelerated death benefit by a \$100 charge and by the amount of any loans and unpaid premiums.

EFFECT OF THE ACCELERATED DEATH BENEFIT ON THE POLICY

The rider will terminate when the accelerated death benefit is paid.
