Section 8. Producer Compensation

When you purchase insurance from us, we pay compensation to the licensed agent. Intermediaries through whom the licensed agent works may also receive compensation.

The agent or intermediary represents us by simply taking your insurance application, collecting your initial premiums and delivering your policy.

Agent compensation may vary depending on the type of insurance plan you purchase, or the specific options included with your policy. The agent can receive compensation by:

- 1. Commissions when a policy is purchased or renewed
- 2. Fees for marketing and administrative services
- 3. Educational opportunities

Some agents and/or their intermediaries may also receive discounts on their own policy premiums and bonuses.

We may also offer incentive trips or prizes associated with sales contests based on sales criteria. Types of sales criteria include overall sales volume of an agent or intermediary with our companies or percentage of completed sales.

Intermediaries may also pay compensation directly to the licensed agent. If the licensed insurance agent can sell insurance policies from other insurance carriers, those carriers may pay compensation that differs from ours.
