IMPORTANT STATEMENTS TO BE READ AND SIGNED BY THE APPLICANT.

- 1. You do not need more than one Medicare Supplement Insurance Policy.
- 2. If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need more than one type of coverage in addition to your Medicare benefits.
- 3. You may be eligible for benefits under Medicaid and may not need a Medicare Supplement Insurance Policy.
- 4. If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement Insurance Policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted, if requested, within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage but will otherwise be substantially equivalent to your coverage before the date of suspension.
- 5. If you are eligible for and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available a substantially equivalent policy) will be reinstituted, if requested, within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage but will otherwise be substantially equivalent to your coverage before the date of suspension.

I understand that I am authorizing ManhattanLife Assurance Company of America to receive my health information, prescription drug usage history and my non-medical information. These medical conditions will be confirmed by a telephone interview prior to being used in the underwriting process. The released information received by ManhattanLife Assurance Company of America will remain protected by federal and/or state regulations as long as it is maintained by the health plan. Medical information will not be used to decline coverage if you are applying during an open enrollment or guaranteed issue period.

I understand that the information requested is necessary for the evaluation and the underwriting of my application for the Medicare Supplement Insurance Policy for which I have applied; to determine eligibility for insurance, risk rating or policy issue determinations; obtain reinsurance; administer claims and determine or fulfill responsibility for coverage and provision of benefits; and to conduct other legally permissible activities that relate to any coverage I have, or have applied for, with ManhattanLife Assurance Company of America. I understand that telephone interviews may be a part of the application process and that any information obtained from such telephone interviews may be used to decline my application for coverage. I understand that failure to provide the authorization to ManhattanLife Assurance Company of America will result in the rejection of the Medicare Supplement Insurance Policy coverage. I understand that I may revoke this authorization at any time by notifying ManhattanLife Assurance Company of America in writing at their Medicare Supplement Administrative Office: P.O. Box 925568, Houston, Texas 77292-5568. I understand that such revocation will not have any effect on actions ManhattanLife Assurance Company of America took prior to their receiving the revocation notice. I understand that this authorization will be valid for twenty-four (24) months from the date signed if used in connection with an application for an insurance policy, reinstatement of an insurance policy, change in policy benefits; or for the duration of a claim if used for the purpose of collecting information with a claim for benefits under a policy. A photocopy of this authorization will be treated in the same manner as the original.

To the best of my knowledge and belief, all of the answers to the questions contained in this application are true and complete and I understand and agree that: (a) the insurance shall not take effect unless and until the application has been accepted and approved by the Company, the full first premium has been paid, and the policy has been delivered to the applicant; and (b) oral statements between the agent and myself are not binding on the Company unless accepted by the Company in writing. The undersigned applicant certifies that the applicant has read, or had read to him/her, the completed application and that he/she realizes that any false statements or misrepresentations therein material to the risk may result in loss of coverage under the policy to which this application is a part.

Fraud Warning: Any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit or knowingly presents false information in an application for insurance is guilty of a crime and may be subject to fines and confinement in prison.
