Premium rates are based on where you live, and therefore may change if you your place of residence changes. Rates can also increase periodically as stated above.

Household Premium Discount: You will be eligible for the Household Premium Discount if you lived in the same residence as at least one other Medicare eligible adult and that other adult owns or is issued a Medicare Supplement policy underwritten by Bankers Fidelity Life Insurance Company®. The discounted premium will be 9% lower than the rates illustrated. Your Household Premium Discount will be removed if the other Medicare Supplement policyholder terminates their policy with Bankers Fidelity Life Insurance Company® or that person no longer lives in the same residence as you (other than in the case of death).
