NOTICE TO APPLICANT - PARTS 1 AND 2

Part 1: Fair Credit Reporting Act and Privacy Act Pre-Notification

The application you completed for insurance with us, in most cases, gives us all the information we need. In certain cases, we may need more information.

If we need more information, we may get it by talking to other persons you know including, but not limited to, your agent or other insurance companies you have applied to. We may ask an independent "consumer reporting agency" to help us verify facts or get additional facts.

We may collect information concerning your health, job and financial situation, as well as your character, general reputation and mode of living. We will not collect information relating to your sexual orientation.

The personal information we obtain about you is treated as confidential and will not be discussed to other persons or organizations without your written authorization except to the extent necessary as permitted by law, for the conduct of our business. But any information collected by a "consumer reporting agency" may be shared by the agency with others who use such information, but only to the extent which the Fair Credit Reporting Act Permits. You have a right of access, and right of correction, concerning recorded personal information obtained in our file. In order to exercise these rights, you must contact us in writing requesting access or correction.

You have no access right to privileged information. If we used a "consumer reporting agency," you have the right to: (1) ask to talk with them and (2) ask them about their report. You may write us for the name and address of the agency. This paragraph is not intended as a complete description of your right of access and correction. If you would like a more complete description of our insurance information and Privacy Protection Practices, please write: Guarantee Trust Life Insurance Company, 1275 Milwaukee Avenue Glenview, IL 60025.

Part 2: Notification Regarding MIB, Inc.

Information regarding your insurability will be treated as confidential. Guarantee Trust Life Insurance Company or its reinsurers may, however, make a brief report thereon to MIB, Inc., a non-profit membership organization of life insurance companies, which operates an information exchange on behalf of its members. If you apply to another member company for life or health insurance coverage, or a claim for benefits is submitted to such a company, MIB, Inc., upon request, will supply such company with the information in its file. Upon receipt of a request from you, MIB, Inc., will arrange disclosure of any information it may have in your file. If you question the accuracy of the information in MIB, Inc.'s file, you may contact MIB, Inc., and seek a correction in accordance with the procedures set forth in the federal Fair Credit Reporting Act.
