Section 8. Producer Compensation

When you purchase insurance from us, we compensation to the licensed agent. Intermediaries through whom the licensed agent works may also receive compensation.

The agent or intermediary represents us by simply taking your insurance application, collecting your initial premiums and delivering your policy.

Agent compensation may vary depending on the type of insurance plan you purchase, or the specific options included with your policy. The agent can receive compensation by:

- 1. Commissions when a policy is purchased or renewed
- 2. Fees for marketing and administrative services
- 3. Educational opportunities

Some agents and/or their intermediaries may also receive discounts on their own policy premiums and bonuses.

We may also offer incentive trips or prizes associated with sales contests based on sales criteria. Types of sales criteria include overall sales volume of an agent or intermediary with our companies or percentage of completed sales.

Intermediaries may also pay compensation directly to the licensed agent. If the licensed insurance agent can sell insurance policies from other insurance carriers, those carriers may pay compensation that differs from ours.

If this application results in an issued policy through The American Home Life Insurance Company (AHLIC), the agents listed below have agreed to split the commissions earned on the policy.

- 1. Both agents must be properly licensed and appointed with AHLIC in the policy's state of issue.

- The percentage of the premium split can be for any amount but must be stated in whole numbers and total 100%. (For example, the percentage for the premium split can be from 1% to 99% but cannot be 0% or 100%.)
- 4. Calculation of each agent's commissions are based on their respective AHLIC commission schedule.
