### **HEALTH INFORMATION AUTHORIZATION**

This Authorization complies with the HIPAA Privacy Rule

I authorize any health plan, physician, health care professional, hospital, clinic, laboratory, pharmacy, pharmacy benefit managers, medical facility, or other health care provider that has provided services, treatment or payment to me, or on my behalf, within the past 10 years ("My Providers"), or consumer reporting agency, or the Medical Information Bureau, to dis- close my entire medical record and any other protected health information concerning me to Heartland National Life Insurance Company ("Heartland") and its agents, employees and representatives. This includes information on the diagnosis or treatment of Human Immunodeficiency Virus (HIV) infection and sexually transmitted diseases. This also includes information on the diagnosis and treatment of mental illness and the use of alcohol, drugs, and tobacco, but excludes psychotherapy notes.

By my signature below, I acknowledge that any agreements I have made to restrict my protected health information do not apply to this Authorization and I instruct any physician, health care professional, hospital, clinic, medical facility, or other health care provider to release and disclose my entire medical record without restriction.

My protected health information is to be disclosed under this Authorization so that Heartland may: 1) underwrite my application for coverage, make eligibility, risk rating, policy issuance and enrollment determinations; 2) obtain reinsurance; 3) administer claims and determine or fulfill their responsibility for coverage and provision of benefits; 4) administer coverage; and 5) conduct other legally permissible activities that relate to any coverage I have or have applied for with Heartland.

This Authorization shall remain in force for 24 months following the date of my signature below, and a copy of this Authorization is as valid as the original. I understand that any information that is disclosed pursuant to this Authorization may be redisclosed and no longer covered by federal rules governing privacy and confidentiality of health information.

I understand that My Providers may not refuse to provide treatment or payment for health care services if I refuse to sign this Authorization. I further understand that if I refuse to sign this Authorization to release my complete medical record, Heartland may not be able to process my application, or if coverage has been issued may not be able to make any benefit payments.

# NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS INSURANCE

#### SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE!

According to Your application, You intend to lapse or otherwise terminate existing accident and sickness insurance and replace it with a policy to be issued by Heartland National Life Insurance Company. For Your own information and protection, You should be aware of and seriously consider certain factors that may affect the insurance protection available to You under the new policy.

- (1) Health conditions which You may presently have, (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits present under the new policy, whereas a similar claim might have been payable under Your present policy.
- (2) You may wish to secure the advice of Your present insurer or its agents regarding the proposed replacement of Your present policy. This is not only Your right, but it is also in Your best interests to make sure You understand all the relevant factors involved in replacing Your present coverage.
- (3) If, after due consideration, You still wish to terminate Your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning Your medical/health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund Your premium as though Your policy had never been in force. After the application has been completed and before You sign it, reread it carefully to be certain that all information has been properly recorded.
