#### Section 2a. Household Premium Discount Information

#### **Household Premium Discount Eligibility Information**

You may qualify for a Medicare Supplement household discount if (1) you reside with your spouse who currently holds or is applying for a Medicare Supplement policy with The American Home Life Insurance Company; or (2) you currently have a household resident (at least one but no more than three) with whom you have continuously resided for the past 12 months who holds or is applying for a Medicare Supplement policy with The American Home Life Insurance Company.

If you are eligible based on the above requirements, the discount will be 7 percent lower than the individual rates and will apply as long as these requirements are met. **Applicant(s) meet(s) these eligibility requirements**  $\square$  Yes  $\square$  No Upon verification of eligibility and approval of your application, you will qualify for the discount. If you answered Yes to the question above, please fill out the following information about the household resident, unless both applicants are applying for coverage on this application: Name Policy number (if applicable) **Relationship to Applicant Payment Modes** You have a choice among several payment options or modes for paying your premium: annual, semi-annual, quarterly and monthly electronic funds transfer (EFT). Each payment mode, other than annual and monthly electronic funds transfer, results in higher total yearly premium costs. Reasons for higher costs include added collection and administrative costs, time value of money considerations and lapse rates. The annual and monthly electronic funds transfer modes have the same and lowest total yearly premium costs. As a result, there is a time value of money advantage to you for paying monthly versus annually. However, there may be other advantages to you for choosing an annual payment based on your preferences. Your agent can explain the differences in modes and help you decide which is best for you. You may change your payment mode, among the modes available, during the life of your policy. Mail policy(ies) to: ☐ Applicant(s) ☐ Agent

#### **Section 8. Producer Compensation**

When you purchase insurance from us, we compensation to the licensed agent. Intermediaries through whom the licensed agent works may also receive compensation.

The agent or intermediary represents us by simply taking your insurance application, collecting your initial premiums and delivering your policy.

Agent compensation may vary depending on the type of insurance plan you purchase, or the specific options included with your policy. The agent can receive compensation by:

- 1. Commissions when a policy is purchased or renewed
- 2. Fees for marketing and administrative services
- 3. Educational opportunities

Some agents and/or their intermediaries may also receive discounts on their own policy premiums and bonuses.

We may also offer incentive trips or prizes associated with sales contests based on sales criteria. Types of sales criteria include overall sales volume of an agent or intermediary with our companies or percentage of completed sales.

Intermediaries may also pay compensation directly to the licensed agent. If the licensed insurance agent can sell insurance policies from other insurance carriers, those carriers may pay compensation that differs from ours.
