#### Part V – General Information

- 1. You do not need more than one Medicare Supplement policy.
- 2. If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- 3. You may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy.
- 4. If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare Supplement policy or, if that is no longer available, a substantially equivalent policy will be reinstituted, effective as of the date of termination of Medicaid, if requested within 90 days of losing your Medicaid eligibility. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage but will otherwise be substantially equivalent to your coverage before the date of suspension.
- 5. If you are eligible for, and have enrolled in a Medicare Supplement policy by reason of disability and you later become covered by an employer or union based group health plan, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, while you are covered under the employer or union based group health plan. If you suspend your Medicare Supplement policy under these circumstances, and later lose your employer or union based group health plan, your suspended Medicare Supplement policy or, if that is no longer available, a substantially equivalent policy, will be reinstituted if requested within 90 days of losing your employer or union based group health plan. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage but will otherwise be substantially equivalent to your coverage before the date of suspension.
- 6. Counseling services may be available in your state to provide advice concerning your purchase of Medicare Supplement insurance and concerning medical assistance through the state Medicaid Program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

# NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE

#### SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to information you have furnished, you intend to terminate existing Medicare Supplement or Medicare Advantage insurance and replace it with a policy to be issued by LifeShield National Insurance Co., ("LifeShield"). Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare Supplement coverage is a wise decision, you should terminate your present Medicare Supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

**STATEMENT TO APPLICANT BY AGENT:** I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare Supplement policy will not duplicate your existing Medicare Supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare Supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reason (check one):

<sup>\*\*</sup> Once you have had \$240 of expense for covered services in 2024, the Part B deductible does not apply to any further covered services you receive for the rest of the year.

<sup>\*\*\*</sup> YOU PAY FOR charges higher than the amount approved by Medicare unless the doctor or supplier agrees to accept Medicare's approved amount as the total charge for services rendered.

<sup>\*\*\*\*</sup> At home recovery benefits must be received in conjunction with Medicare approved home health care benefits.

<sup>\*\*\*\*\*\*</sup> To the extent the blood deductible is met under one part of Medicare during the calendar year, it does not have to be met under the other part.

However, high deductible plans F and G count Your payment of the Medicare Part B deductible toward meeting the plan deductible.

<sup>&</sup>lt;sup>2</sup> Plans K and L pay 100% of covered services for the rest of the calendar year once You meet the out-of-pocket yearly limit.

<sup>&</sup>lt;sup>3</sup> Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.
